CRISS CROSS

St. Andrew's School
Middletown Delaware
TRUSTEES OF
THE EPISCOPAL CHURCH SCHOOL
FOUNDATION, INC.

The Right Reverend Arthur R. McKinstry, D.D.
Bishop of Delaware
President

J. Thompson Brown
Vice-President

Allan J. Henry
Secretary and Treasurer

Honorable Richard S. Rodney
Thomas F. Cadwalader
Emile F. du Pont
H. Belin du Pont
Walter J. Laird
Albert Nalle
William S. Potter
W. Hollingsworth Whyte III
Dedication

When we entered St. Andrew's in the Fall of 1917, our first class was English—the teacher, Mr. William H. Cameron. It took us about forty-five minutes to realize that the most drastic difference between home and school was "that man" who stood before us. He didn't love us as our parents did; when we slipped and fell, he didn't stop to pick us up and listen to us weep and wail, but rather growled something like, "Come on you ignoramus," or "What happened to you, boy?"

Since that time we have progressed, a little way at least, and we have realized how wrong was our first impression of Mr. Cameron. During our stay at St. Andrew's he has given us five years of his time, his knowledge, his experience, and most of all, his affection.

With one accord we dedicate the Criss-Cross of 1952.
The Reverend Walden Pell, II

As long as there are some who dedicate themselves in the years to come to the principles and purposes of her founding; that is, to the principles and purposes of our nation, and the principles and purposes of our Church, the St. Andrew’s School of Felix duPont, of Bishop Cook, and of Walden Pell will endure. Not some other school, occupying the same buildings and perhaps even with the same name, but the original St. Andrew’s will endure. For institutions take their glory, not from their wealth, not from their monuments, but from their principles and purposes, from the impressions that they are able to make on the minds of men, from the work that they are able to accomplish through the lives of men.

—Taken from the sermon of Mr. Hawkins commemorating the dedication of St. Andrew’s School twenty-one years ago.
Left to right, first row: the Rev. Mr. Reynolds, Mr. Schoonover, Mr. Cameron, the Headmaster, Mr. Schmolze, Mr. Voorhees, the Rev. Mr. Hawkins.
Second row: Mr. Morris, Mr. Barron, Mr. Washburn, Mr. Campbell, Mr. Amos, Mr. Sider.
Third row: Mr. TenBroeck, Mr. Hughes, Mr. Baum, Mr. Hagerty, the Rev. Mr. Clarke.
Fourth row: Mr. Hillier, Mr. Chamblin, Mr. Broadbent.

Secretary to Alumni Association
Ever since we asked him to be our Form Advisor in the fall of 1948, Mr. Broadbent has had the friendship and respect of all of us for the way in which he has carried out this task.

"Uncle George" has never been too busy to listen to and help any one of us in moments of discouragement, or to share with us the happiness of our many pleasant experiences here. His judgment, understanding, and advice, have been indispensable to us as a form, and to the school we have endeavored to serve.

It won't be easy for us to say "good-bye" to the school we have come to love so much, and "Uncle George" is one good reason why.
Mac Hickin has spent about one half of his life at St. Andrew's; first as the child of a faculty member, and these past five years as a student. It is most fitting that he should culminate his career in the highest office the school has to bestow.

Mac has not been just another Senior Praefect, but a real leader in a year of transition and progress, a year in which School Government and the School Meeting have achieved a true significance, a year in which the spirit of the school has been happy, harmonious, and "of a definitely Christian character."

Mac has distinguished himself not only as a leader in the school community, but as a student and as an athlete. He pulled a strong oar in one of St. Andrew's championship crews, excelled in football, and was a superior captain of one of St. Andrew's finest wrestling teams—"the team that never blew a chance".

CONSTANTINE SIMONIDES

This year marks the initiation of what is to be a long and enduring memorial to St. Andrean's who gave their lives in the last war. This memorial takes the form of a scholarship offered each year to a senior foreign student.

Pictured above is the first of the recipients. He is Constantine Simonides of Athens, Greece. A first-rate scholar, he seems to find no particular language barrier in his work and consistently scores third groups. Athletically, Constantine knew nothing of our football but excelled in volleyball in the fall. Winter and spring, saw him on the Varsity Basketball and Tennis Squads. Socially, his natural courtesy, humor, and fine sportsmanship have done much to gain him the respect and friendship of every St. Andrean.

We trust that future War Memorial Scholars will follow the fine precedent set by Constantine.
Class History

Our class entered S.A.S. in 1948, a timid homesick bunch of Second Formers. We were 12 strong, and it was but a short time after our entrance that we acquired the distinctive nomenclature, "The Dirty Dozen." Why we got this name we don't know, for most of us were untainted in mind and body; but the name stuck throughout our first year as St. Andreans.

Under the many times too watchful eye of supervisor Dicky Broome, we twelve soon lost our pangs of homesickness and fell into the swing of things.

That year's football season found such yet unsung heroes as Will Johnson and Mac Hickin, of course with considerable aid from the rest of us, piling up touchdowns quicker than Coach Cameron could count. The Winter and Spring sports schedules found members of our form eager participants. Our ability was not limited to the athletic fields, and each marking period found a generous portion of our class in honours groups, with Will Johnson, our form President, leading the list.

As Second Formers we prided ourselves in two realms; our unwaning ability to challenge and completely defeat the Seniors in pillow fights, and our genius in devising a heretofore unheard of game, somewhat on the idea of field hockey, which we played in our dorm throughout the year.

Our Third Form year added many faces to, and subtracted a few old ones from, our original twelve. The South Dorm was plenty big for us, but nevertheless it suffered considerably for having us as inhabitants.

This year found many of us on a championship eleven-man football squad, and some of us in the limelight as members of J. V. Football and Varsity Wrestling, and again our form headed the list of academic honors.
Our Fourth Form year was to be full of new realms of adventure for us. Living in the gym, and having later lights, and radios, made us feel considerably higher on the tree of human development than we had felt while in the confines of the main building. The gym roof afforded members of our clan a good practice field for a possible later ascent of Mont Blanc. The S.A.S. Alpine Club and the game of "Follow-the-Leader" were soon forgotten though, after the "leader" absent-mindedly stepped off the gym roof, and all involved received forty-eight marks apiece.

That year we were given the privilege of electing our form advisor. Mr. Broadbent was elected to the office.

As Fifth Formers, we returned to the Main Building, but found life on the corridor much more satisfactory than life in the dorms had been. This year we had our first chance to put on a school dance. The Fifth Form dance was a great success; according to many "old timers" among the faculty, the best in the school's history. Mac Hickin was elected form President, and he did a first class job of preparing his form for its responsibilities as Sixth Formers.

As Seniors we began the lap between third base and home plate under the able leadership of our praefects, Herndon Werth, Henry Roth, Will Johnson, and Ted Hill, with Mac Hickin as Senior Praefect.

Constantine Simonides entered our midst from Athens, Greece, and quickly picked up a generous supply of St. Andreanisms with which to entertain his friends back home. Doug Williams and Jim Marvin were also fine additions to the class.

This year as Seniors we have begun where others have left off, and have done our best to improve the school as a whole. We are indebted to the faculty and the student body for the cooperation they have given us in trying to make St. Andrew's a better school. We hope that the examples we have set are good ones, and ones which succeeding Sixth Forms will be able to follow and improve upon.

*First row:* Hill, Werth, H. Hickin, Johnson, Roth, Mr. Broadbent.
*Third row:* Dickson, LeCompte, Marvin, Brinkerhoff, Kelley, Stewart, Appel.
*Fourth row:* Ellis, Werth, C., Townley, Simonedes, Talburt.
*Fifth row:* Creadick, Williams, R., Cannon, Bullitt, Young, Howard, Boggs.
*Sixth row:* Wright, F., Teller, Smith, N., Harned, Congdon, Schley, C., Cady.

ATHLETICS
Football 1951

Winning two, tying three, and losing two games, the Varsity Football Team had a fair season. Led by Captain Will Johnson, the team pushed over for 16 touchdowns and scored 5 out of 16 extra points for a total scoring record of 101 points against 63 points for the opposition. On the defense, there was the speedy backfield quartet of Townley, Johnson, Macfarlane, and Harned. With tackles Pickett and Smith blasting out holes for this backfield and Hickin and Howard snatching the passes, St. Andrew's possessed a well-coordinated football machine. Coach Baum's and TenBroeck's varied defenses stopped the opposition almost completely on the ground. The ends were held by Hickin and Howard while the center of the line was blocked by Owen, West, and Pickett Wright. Will Johnson, Foster, and Hart stopped the wide runs and batted down passes. From the bench, Managers Chal Schley, Herndon Werth, and Harry Cannon handled the equipment. At the end of the season, Sandy Macfarlane and Howard Hart were elected co-captains of the 1952 team.

In the first game with Tower Hill the Big Red raced to a 31-0 victory with comparative ease. The Hillers, after receiving, fumbled on their own 18 yard line. The Saints recovered and Will Johnson plunged across for the first score of the season. Steve Penn missed the conversion. Ellis kicked off and the Hillers again fumbled and St. Andrew's recovered. Macfarlane smashed over tackle for the score. The try for conversion was no good. Late in the second quarter Johnson grabbed a Tower Hill fumble and romped across for another tally. In the final quarter Galen Townley hit Chico Harned with a ten yard bullet pass for six more points. Penn converted. St. Andrew's recovered another Hiller fumble, and Hal West ripped through the left side of the line for the final score.

The Saints leveled Baltimore Friends 32-0 in the second game. After several exchanges of the ball Will Johnson bullied his way over left tackle for six points. During the second quarter the Big Red scored two more touchdowns on a line back by Sandy Macfarlane and a 20 yard pass from Johnson to end Bill Howard. Steve Penn converted. In the third period Vic Harned took the ball for the Saints and scrambled 15 yards for another score. Midway in the final period Hal West intercepted a Friends' pass and moved down to their 20. Fred Schneider then flipped the ball to Bill Brumbach who made a diving catch in the end zone for Big Red's final tally.
An overconfident team moved to Sanford for the third game. There a small but courageous eleven proceeded to push the Big Red up and down the field. A long exchange of offensive plays by both teams resulted in a touchdown for the Yellow and Brown. The conversion was no good. A desperate St. Andrew's team finally shoved across a touchdown on Captain Johnson's pass to Bill Howard. Penn's placement was low. The remainder of the game was a series of frantic attempts by both teams to break the 6-6 tie.

As a result of an inaccurate scouting report and an "up for the game" opponent, St. Andrew's suffered its first defeat of the year at the hands of Wilmington Friends. Early in the second quarter Jackie Porter, Friends' quarterback, passed 20 yards to Pardoe for the first Quaker score. Porter's conversion was good and Friends led 7-0 at the half. At the beginning of the second half the Quakers made 56 yards for another touchdown. The Red attack seemed to wilt and the game ended several minutes later with the Saints on the wrong end of a 13-0 score.

The "Baumiers" sustained their second loss in five starts at Friends Central School in Philadelphia. Led by their hard-running halfback, Eddie Bracken, Friends swept to a 19-7 victory with little opposition by the Saints. In the beginning it looked as though the team was on its way back to the winning column when Galen Townley connected with Mac Hickin on a 20 yard pass for the first score of the game. Bob Foster ran for the extra point. From there on in Friends dominated the entire offensive. Bracken scored on a 20 yard end sweep and then made the conversion for the extra point. Ivy Clark of Friends in the fourth period passed 25 yards to his end who raced for the score. Bracken's placement attempt was wide. The opposition's final tally came via the air.

Over Father's Weekend the Saints met St. Alban's on a very soggy field and played them to a 6-6 tie. Sandy Macfarlane scored on a 35 over the returned St. I. A. C. visitors grabbed. Foster kicked one of the extra points to tie the game. In the beginning of the second half the Saints made 56 yards for another touchdown. The Red attack seemed to wilt and the game ended several minutes later with the Saints on the wrong end of a 13-0 score.

With 18 Seniors playing their last game the Red fought to a 19-19 tie with Landon School, the I.A.C. Champions. The Landon group held the lead at the end of the first period with a 6-0 score, but the Saints came roaring back in the second on touchdowns by Johnson and Townley; Foster kicked one of the extra points to give the team a 13-6 halftime lead. In the third quarter Landon again scored and this time converted to tie the game. In the beginning of the fourth quarter Sandy Macfarlane scored on a 35 yard run to take the lead for the "Baumiers". However, the visitors grabbed another quick tally on a power house smash with three minutes to go and tied up the game.
The Saint Andrew’s Wrestling Team turned in one of the best records in the school’s history—winning six and dropping two. The team was characterized not by skill, but by spirit and fight. Although there were no undefeated men, almost everyone had an average or an above average record. The best average was Walt Fielding’s—seven wins and one loss.

In their first match of the year the Saints defeated the Wilmington YMCA Juniors, 30-18. Werth, Read, and Hickin racked up pins in the first period, and Kadzielewski and Wright, A., pinned in the second and third periods respectively. Cottrell decisioned by a 4-0 score.

The Wrestlers met Severn in the first home match and defeated them 19-14 for a second win. Read and Hickin scored the only falls for St. Andrews, while Cottrell, Fielding and Williams decisioned.

A strong Lawrenceville team set the Saints back for their first loss by a 32-11 score. Fielding won by a fall in the second period, while Kadzielewski and Wright, A., squeezed through with decisions.

Recovering from its setback of the previous week, the Saints downed Peddie at Hightstown, New Jersey in their best match of the season. Displaying the same determination and fight that highlighted the Penn Charter match, the wrestlers won the last five bouts and clinched the meet. Fielding decisioned for his fifth straight victory; Cottrell, Read, Wright, A., and Ellis also decisioned. Hickin and Wright, P., pinned.

In their easiest match of the year, the Saint Andrew’s wrestlers rolled over Baltimore Friends with a 40-5 score. The only non-winners were Wright, A., who tied, and Hickin who met another captain and was decisioned.

Over Dance Weekend, the tables were turned and the Saints were vanquished by strong Haverford School, 35-5. Captain Hickin started the scoring for the Saints with two points for a tie. The only win was Ellis’ decision in the heavyweight class. After six straight victories, Walt Fielding met his only defeat at the hands of a better wrestler.

In their last match, the grappers defeated St. Albans of Washington, 24-15. Fred Teuscher, a newcomer to the mats, gained his second fall. Fielding and Wright, P., also pinned, while Read, Hickin, and Wright, A., won by decisions.
Basketball 1952

Big Red's varsity basketball team had a below average season this year, whose record in games won was considerably lower than those of the two preceding years. The team was characterized by inexperience—only two members had played on varsity previously—and consequently was victim of fits and spurts. Unluckily, the former were most prevalent, and the team wound up with an unimpressive record of 5 wins and 9 losses. However, put on its feet by Coach Ten Broeck and spurred on by Captain Will Johnson, the team maintained a lot of spirit, and a lot of fight once they got rolling. Gale Townley was high scorer for the season with 234, and Captain Johnson ran second with 188. The team's total points scored for the season hit 701.

The Saint's first game, with Tower Hill, proved to be disheartening when the Hillers downed Big Red 73-43.

The process was repeated in the second game, with Dover, the final score being 51-42 in their favor.

St. Andrew's in their third game, was again defeated, this time by St. Alban’s 68-53.

Against Sanford, Big Red emerged the victors for the first time, winning by a score of 48-45.

In the following game with Smyrna, the Saints were downed again by a score of 68-47.

In the next game, against Sallasianum, the Saints were defeated 58-46, after their best playing of the season.

In their game with Germantown Friends, S.A.S. again emerged victorious by a score of 39-38.

In the eighth game of the season, against Dover again, S.A.S. downed their opponents 61-50.

The ninth game was another defeat, however, when Tower Hill creamed Big Red 83-45.

A score of 59-55 put S.A.S. on top again, in their game with Boys Latin.

Smyrna downed the Saints for the second time in the 11th game of the season, 51-46.

St. James followed suit in the 12th and put S.A.S. on the low side of a 44-34 score.

The game with Wilmington Friends, although fairly close, 46-42, proved another defeat for Big Red.

In the final game of the season, the Saints came through strong in the end to down Baltimore Friends 53-51.
Soccer 1952

Led by right-wing Leo Clay and coached by Mr. Amos, the soccer team this year played its annual two games against Phelps School of Malvern, Pa. Both games proved to be losses for the Saints, but the encounters revealed the amazing fight and great spirit which the St. Andrew's eleven could show against a more experienced team.

In the first game at St. Andrew's, both teams scored in the first quarter, and the score remained tied 1 to 1 until late in the third quarter. Then, however, Phelps succeeded in scoring, and the game ended 2 to 1 in favor of Phelps.

During the first half of the second game at Phelps, they succeeded in breaking through a tough St. Andrew's defense to score. Although the Saints tried furiously to score afterwards, the game ended 1 to 0 in Phelps's favor.

As usual, Captain Leo Clay was by far the most outstanding player on the field. He was ably backed on the line by Schley, Beatty, Cain, and Brinkerhoff. The Red defense was handled by Bullitt, Brodie, Barclay, Smith, and Dickson. The goalies were Boggs and Roubdehush.

Junior Sports

CLUB CREW 1951

The Vikings, coached by Mr. Broadbent, won the first intramural race however Mr. Pell's Acheans clinched the 1951 title by winning the next two races.

SIX MAN FOOTBALL 1951

The six man football "cake series" was won this year by the Yellows, led by Bob Nuckols and Pete Kadzielewski. The two teams joined forces against Middletown, but were defeated 26-14.
1951 was a fairly successful year for the senior track team. Powered by the trio of Clattenburg, Osborn, and Shea, St. Andrew's took its fair share of honors in Delaware and I.A.C. meets.

Ed Clattenburg, the iron man of the team, was the highest individual scorer in the I.A.C. He was undefeated in the shotput, setting a new I.A.C. record of 46 feet and 8 inches.

Tom Osborn, another team member, won medals regularly in the shotput, javelin, and discus.

Len Shea did well in the high jump and 880. He climaxed his career by winning the I.A.C. high jump title.

Dick Teller, the fourth member, ran the 100, 220, and 880 yard dashes.

In the New Castle County meet, S.A.S. was 6th out of ten schools. In a meet with Westtown Friends and Sanford, S.A.S. finished last. In the Peninsula relays, S.A.S. was 9th out of ten schools. In the I.A.C. track meet the Saints finished 9th out of ten schools.

Junior Sports

J. V. BASEBALL 1951

The J. V. baseball team, coached by Mr. TenBroek, had mostly a hardluck season, finishing with a mediocre record of 2 wins, 3 losses, and 1 tie.

JUNIOR BASKETBALL 1952

Coached by Mr. Hughes, and captained by Clem Crowe, the Juniors racked up an encouraging record of 4 wins and only 2 losses. The team topped Smyrna twice, and split with both Middletown and Bayard.

J. V. BASKETBALL 1952

The J. V. basketball team, coached by Mr. Washburn, had a tough season, which was mainly caused by an excess of inexperience on the squad. At the end of the season the team had compiled a record of 1 win and 11 losses.

SQUASH 1952

Squash had an inspiring season this year, with the lead spot uncertain, although generally alternating between Danny Luke, Pete Kelley, and Bill Brumbach.
Tennis 1951

The Varsity Tennis Team, coached by Mr. Hughes, had only a fair season. Of the eight matches played, four were S.A.S. victories. Most of the players were inexperienced in match play. Of last year’s team only two players returned.

The team was composed of nine boys: Ward, Linsay (captain), Draper, Luke, Good, Brumbach, Clay, Holcomb and Williams. The latter two alternated with Brumbach, while Clay played only doubles.

In the first match at S.A.S., the team took Baltimore Friends, 7-2. The singles matches were won by all S.A.S. players. In doubles matches only the Brumbach-Holcomb combination came out on top.

The following week the team visited Gilman Country Day School in Baltimore. Again S.A.S. came out victorious by defeating the opposition, 7-2. The singles victors were Ward, Lindsay, Good and Brumbach. All three doubles combinations won.

The next match was at Newark, with the Delaware freshmen. The S.A.S. team pulled another victory out of the hole by winning two of the doubles matches.

With the coming of Sidwell Friends to St. Andrews, the S.A.S. winning streak was snapped. In losing the match to the Washington team, by a score of 7-2, S.A.S. lost all singles, but won two of the doubles matches.

In Wayne, Pa., S.A.S. lost a tough one by a score of 5-4 to the Valley Forge Military Academy, who had previously won eight straight matches. Ward and Brumbach won singles matches, and the Ward-Good and Luke-Clay combinations were victorious in doubles.

Over dance weekend S.A.S. eked out a victory over Westtown Friends by a 5-4 score. Ward, Lindsay, Luke, and Good came through in singles, but only the Draper-Lindsay combination came through in doubles.

When St. Albans visited S.A.S. the following week the home team the No. 1 man, Ward, had come down with the German measles and as a result, the team lost the match by a 8-1 score. Holcomb being the only victor.

In the last match of the season St. Andrews ran up against a tough Landon team, losing by a score of 8-1. The only S.A.S. victory went to Captain Dave Linsay.
Baseball 1951

The Varsity Baseball Team led by Captain Pitt Foster and coached by Mr. Schoonover had a fair season, winning seven games while dropping four. Captain Foster and Dick Dodson composed the pitching staff, Foster winning four and losing three and Dodson gaining three and losing one. The infield was composed of Willie Johnson at third, Bill Whitehead at short, Galen Townley at second, with John Halsted and Julien LeCompte splitting the first base chores. The outfield duties were divided among Dave Scherer, Matt McDermott, Tom Patton, and Foster, who played in the outfield when he was not on pitching duty. The catching was handled expertly by Bob Auersch. Foster, although a pitcher led the team with an average of .411.

The 1952 team will greatly miss the contributions of the graduated members but under the leadership of Captain elect Galen Townley, the team is looking forward to a good season. Pitt Foster ended his four year career at S.A.S. which saw him win 19 games while losing only 14 with his blazing side arm delivery. Dodson in his two year spin turned in an impressive 6-3 record.

In the first game against Tower Hill the Saints pounded out eleven hits for a 13-2 victory.

In the next game Gilman School of Baltimore put up a tough fight but was finally subdued 6-5.

In the game against Wilmington Friends the Saints took a 12-6 victory on the crest of nine hits.

Against Landon in Washington, the Saints met their first defeat by a score of 5-4, Julien LeCompte getting the only three hits for S.A.S.

Dick Dodson allowed only five fluke hits in shutting out Tower Hill in the next game 10-0.

Pitt Foster went the entire distance to gain his fourth victory as the Saints defeated a strong Valley Forge Team 6-3.

Over Dance Weekend, Dodson had pitched a perfect no-hit game for six innings, but he was struck by wildness in the seventh and lost to an average McDonough team 6-2.

A 350-foot home run, the longest one ever hit at Richardson field, enabled St. Albans to squeeze through a 4-2 victory.

In the last game of the season with St. James, a last inning S.A.S. rally fell one short, and the Saints lost 5-4.
Crew 1951

The St. Andrew's Crews, coached by Mr. Voorhees, had a good season which finished in a blaze of glory when the four stroked by Gaby Smith, with Mac Hickin, Charlie Pickett, and Carter Werth, won the National Schoolboy Championships for Junior Fours. The boat covered the mile on the Schuylkill in six minutes and sixteens seconds against a strong headwind, finishing three lengths ahead of a much favored Lower Merion, and also leaving behind West Catholic, LaSalle, and Canisius. The boat defeated Nutley and Bennett High Schools on the previous day.

The first race of the season was on the Noxontown versus Dartmouth College Freshman and Varsity 150-pound eights. Captain Peter Pell's boat with Doug Brodie and Ted Hill, and the junior boat, won by one and a half and two lengths respectively. The first schoolboy race was at Belleville where the first boat won by a deck-length on the choppy and littered Passaic. The following week the Saints beat St. Joseph's of Philadelphia by three lengths. The Junior boat beat Lower Merion's two boats by ten and twelve lengths.

Over Dance weekend the First boat was defeated by Nutley after having been in the lead until the last eighth of the mile. The Junior boat won by a good twelve lengths. Unfortunately the Reds did not retire the King's Cup of which they had two of the necessary three legs.

ENTERING MIDDLETOWN

ADVERTISEMENTS
BOYS' CLUBS OF AMERICA

are

BUILDING THE CITIZENS OF TOMORROW

"I look forward to the day when the number of Boys' Clubs will double, triple, and quadruple. A crying need exists for an extension of this most worthwhile endeavor.

"Now is the time for action. The need for giving American youth what is justly his—guidance, training, discipline, proper surroundings, incentive, moral and spiritual development—is more important than ever before in the history of our Nation.

"In the face of attacks from subversive forces which would destroy our American way of life, we must strengthen and expand those organizations which aid in molding our youth into good citizens.

"The Boys' Clubs of America must go forward if other boys are to be given the opportunities of democracy in action—the type of democracy which flourishes in the atmosphere of liberty and freedom in the United States."

... J. Edgar Hoover
Director of Federal Bureau of Investigation
