ST. ANDREW'S SCHOOL
MIDDLETOWN, DELAWARE
1953
In Memoriam

J. THOMPSON BROWN

Member of the Board of Trustees since the School's inception and Vice-President of the Board from 1937

In him we had a wise counselor and firm friend whose love for this School and devotion to its interests have done much to make St. Andrew's what it is. Those who have been here and those who are to come will alike share his good work and honor his memory.

Dedication

With sincere gratitude and affection we dedicate this Yearbook to Mr. and Mrs. Schmolze, who never have been "too busy" to share a part of their long working day with any one of us when he has a problem to work out or has wanted to talk over his college and future plans.
The Reverend and Mrs. Walden Pell, II

In scholastic circles it is no secret that Walden Pell is one of the truly great headmasters of the land. Although he would modestly deprecate his own accomplishments, he would be the first to agree with us that his success in a highly exacting job has been in large measure due to the unflagging assistance of Mrs. Pell, who has played an incalculable part in making St. Andrew's the fine school that it is.
Left to right, first row: the Rev. Mr. Reynolds, Mr. Voorhees, Mr. Cameron, the Headmaster, Mr. Schmolze, Mr. Fleming, the Rev. Mr. Koci.
Second row: Mr. Campbell, Mr. TenBroeck, Mr. Barron, Mr. Amos, Mr. Thornton.
Third row: Mr. Morris, Mr. Baum, Mr. Washburn, the Rev. Mr. Hawkins.
Fourth row: Mr. Broadbent, Mr. Hughes, Mr. Hillier, Mr. Hagerty, Dr. Garcia.

THE SIXTH FORM
In our Fourth Form year, when we asked Mr. Cameron to be our Advisor, all we knew about him was that he said, "Rah, Boy!", and kept the underformers on edge. However, we expected that a heart beat under this gruff exterior.

We soon learned how fortunate we were to have him as our guide, and became aware that his warm heart and keen mind were ever present during the rough spots of the school year and that he was never slow to praise us when the going was smooth.

In years to come when we think of St. Andrew’s we will think of the best years of our lives, our many friends, and, in particular, Mr. Cameron.
Art came to St. Andrew's in his Fourth Form year. His ability as a leader brought him quickly to the presidency of the form, and his continued good work carried him against his will to the office of Senior Praefect.

Art has always been an athlete at heart and his performance on the football field, the wrestling mats, and in the crew shells is characteristic of his energy and drive.

Art stands out as a student, too, but he has distinguished himself especially in his role in School Government. His steadying influence helped pull the school through a difficult period during the winter term. His many fine attributes, his winning personality, and his keen sense of humor have made Art a Senior Praefect whom St. Andrew's will not soon forget.

History of the Class of 1953

When, on September 18, 1948, we 18 unruly boys who formed the nucleus of the class of 1953 filtered into the East Dorm, we knew little about the records, both good and bad, which we would set. We were thrilled to learn that we were the largest Second Form ever to assemble at St. Andrew's and we were equally thrilled to find that we were the worst. There is no question about us being a lively group of boys; we wore out three dorm supervisors that year and had the East Dorm renamed "The Snakepit". Our 19th member, added during the Fall Term, gave us another record breaker in the disciplinary line. We were proud, though, when Donn O'Brien won his letter in tennis and Dave Giammattei finished the year in an Honor Group. When the year ended in June we were an only slightly improved group, eager to finish wrecking the school.

When our class returned for its Third Form year, four old boys were missing and fourteen new boys appeared. That year five of our number received Junior Awards in football, Robbie Brooke received his letter in wrestling, and Donn O'Brien received another in tennis. Tim Smith, one of the new boys, finished the year as top man in the class scholastically. During the year the form settled down greatly, using its energy in such constructive exercise as pushing out backs of alcoves and swinging on chandeliers.

The next year brought a great surprise when we found nine of the original members gone and twelve new boys to take their place. We knew then that the school was expecting us to grow up, and we certainly did that. Charlie Pickett, President of the form, won his letter in football and crew, Lynch Read and Tom Cottrell won their letters in wrestling, and Larry Holcomb, the form's only tennis player at this time, made his in tennis. The form's participation in school affairs took a large jump during the year and we excelled as cheerleaders and promoters of school spirit. Grades began to ascend with Dave Levinson leading the form and conduct marks were held to a minimum. Much of
the improvement in the form was due to individual maturing, but a good deal of it was due to Mr. Cameron, whom we elected as our form advisor. With his help and our efforts we left school in June expecting a much better year in the Fifth Form.

When we arrived on the corridor we knew all our dreams of a good year were to come true. Dave Levinson again led the Form scholastically and Bill Hinnant followed close behind. The form as a whole had excellent marks, finishing the year with almost half the class in Honor Groups. Our contribution to athletics was great, supplying thirteen men for the varsity football squad and making similar contributions to wrestling and basketball. Our greatest form project came in the Spring Term when we gave the best dance in the history of St. Andrew's. Also during that year we looked ahead and began preparations for our Sixth Form year by electing Arthur Wright Senior Praefect and Hugh Cannon, Tim Smith, Tom Cottrell and Harrison Owen the other Praefects. We also worked out with Mr. Cameron the best combinations for dorm supervisors so that the Under Forms would be both well disciplined and happy during our Sixth Form year.

The end of the road has come. Only four boys remain from the original 19, the last record the form has set. We are now a form of thirty boys, well unified and matured. We have done well in school leadership and have some of the best run dormitories in the school's history. The job we have done, we're told, has been good; and some of the boys and masters who told us for three years that we were the worst form in the school's history have reversed their opinions.

In closing we wish to thank Mr. Cameron for his very able and helpful guidance, the school for its cooperation, and all the masters for their generous help and understanding.

ATHLETICS
The St. Andrew's varsity football season was not a bad one, as Coach Baum's charges bettered the .500 mark, winning four, losing three, and scoring 157 points to the opposition's 102. The Saint's ground attack proved their most effective weapon on the offense. As proof of their running ability over 75% of the Saint's scoring was done on the ground and Co-captain Macfarlane was the county's third highest scorer. A hard hitting backfield was made up of Co-captains Hart and Macfarlane at halfbacks, Brumbach at fullback, and Schneider and Walden alternating running from the quarterback slot. This backfield as well as the other backfield hopefuls was ably coached by Mr. Ten Broeck and functioned as a powerful, well-ordered unit. The defensive backfield also did an excellent job. West and Saint's scoring was done on the ground and Co-captain Macfarlane was made up of Co-captains Hart and Macfarlane at halfbacks, Brumbach at fullback, and Schneider and Walden alternating running from the quarterback slot. This backfield as well as the other backfield hopefuls was ably coached by Mr. Ten Broeck and functioned as a powerful, well-ordered unit. The defensive backfield also did an excellent job. West and Saint were the corner backers, Schneider the middle man, Foster and Spangler the halfbacks, and Macfarlane the safety man. Passers found this group a tough opponent. The fine offensive line should not go unpraised. These usually unlauded workers were the mainstays of the Saint's four victories. Many a hard practice session was put into perfecting the line into the well coordinated unit that was the result of Mr. Baum's labors. The ends were Penn, Foster and Klutey; the tackles, Pickett and Wright; the guards, West and Owen; and Milligan the center. This group approximated the Saint's defensive alignment up front with the exception of Ralston and Murray who alternated in defensive end West's offensive guard spot. Perhaps two of the most hard working members of the team were the managers, McCune and Cummin. A good deal of the team's gripes and complaints had to be borne by these two and they should certainly be credited with a job well done. There is no question about the caliber of leadership of the St. Andrew's team of either this or the next season. Hart and Macfarlane were unmatched leaders in the '52 season and it is certain that the '53 team will have as good guidance by Brumbach and Foster.

No one on the squad can forget the coaches. Mr. Baum and Mr. Ten Broeck were certainly tops in the boys' opinions both as coaches and as team boosters. By beating Wilmington Friends 27-7, the S.A.S. varsity opened the season successfully. St. Andrew's sewed up the game by scoring touchdowns on each of its first two plays from scrimmage. The Friends' kick-off was carried to the Saint's 35 yard line. On the next play Co-captain Macfarlane galloped 68 yards for the first touchdown. The extra point was blocked. Friends returned Fred Klutey's kick-off to their own 19 and there immediately fumbled to the Saints. Then, on their second play from scrimmage Co-captain Hart carried the ball across for the second score. West's conversion made the score 13-0. Three plays after the kickoff, Friends was forced to punt. Several passes and some good running plays placed the ball on the Friends' one yard stripe. Quarterback Schneider then completed a pass to Brumbach in the end zone for the third score. West again converted and the score was 20-0. The fourth quarter produced two spectacular runs by Jim Spangler, the second of which produced a score. West made his fourth conversion and the score board read 27-0. In the waning minutes of the last quarter, Wilmington Friends moved the ball to the Saints' one yard line and there scored on a quarterback sneek. For the first I.A.C. game of the year the team travelled to Baltimore Friends. Sparked by the remembrance of their last year's defeat at the hands of the Saints, the Friends' team seemed definitely up for the game. As a result the Red took a 15-0 beating. From the first kick-off the breaks seemed to go badly, as intercepted passes and fumbles plagued the Saints' offensive. The S.A.S. pass defense seemed to give the Red and Gray of Friends little trouble, as their two touchdowns came on completed aerials. In the first quarter when the Saints were forced to kick from near the end zone a faulty pass from center netted Baltimore a safety. The Saints had to fight the breaks all through the game and consequently marked the game off as a bad try.

The Saints' next home game was against another I.A.C. opponent, Sanford. The outcome of the game was a 13-7 victory for the Red who, in the words of Coach Baum, "... Knew what they wanted, victory." With their spirit high the team went into the fourth quarter trailing 7-6. A 35 yard pass from Walden to Macfarlane was all the Saints needed to cop the victory. An intercepted pass by Sandy Macfarlane enabled the Red to run out the clock in possession of the pigskin. The first score of the game came on Sandy Macfarlane's 80 yard run around left end early in the fourth quarter. Sanford countered with a sustained drive of 70 yards and produced its only touchdown on a 20 yard reverse. The deepest penetration made by either club was Sanford's pass-filled drive to the Saints' 15. The Red defense, however, managed to subdue this touchdown attempt.
The Sanford line outplayed the Saints but the hard-driving St. Andrew's backs made up for this.

Over Father's Week-end the St. Andrew's campus was invaded by a very powerful Friends Central team that was carefully guarding a 13 game winning streak. A hard charging, hard running team conquered the Saints 31-9.

In the first quarter the Saints took the ball on their own ten after the kick-off. On the first play Howard Hart almost broke away, but was stopped by the last two defenders. After running to the Friends' 40 the Red was forced to punt. An exchange of punts followed after which Friends' scored its first touchdown.

In the second quarter, the Saints shoved across their own scores. A penalty of fifteen yards put Friends on their own 15 and the Red line broke through to nail the Friends' runner for a safety. Midway in this quarter a pass from Walden gave the Saints their only T.D. of the afternoon. In this quarter Friends Central added two more scores to clinch the game.

For their next, the St. Andrew's eleven journeyed to Washington, D.C. to St. Alban's School to play their third I.A.C. game. Their I.A.C. record was dropped to one win and two losses and the season's record dropped to two wins and three losses. They lost by a score of 34 to 21.

Lack of single-wing defensive experience and a weak pass defense on the part of S.A.S. allowed the opponents to take a half-time lead of 27-7. In this half Bill Haynes of St. Alban's scored two touchdowns after catching two passes, and Leary ran for one more. Bob Foster scored the Saints' only touchdown in the first half on an eighty yard kick-off return through the middle of the St. Alban's team.

In the season, 44-0.

In the opening quarter and Bob Foster fell on it in the end zone for the score. West missed the point and the score was 6-0 with only a minute gone. The Red again kicked off and the Landon offense was held on downs and forced to kick. Then, on a hand-off from Schneider, Sandy Macfarlane went 50 yards to score the first of his four touchdowns of the day. Foster kicked the point and the score stood 13-0. After kicking off, the Red again forced Landon to kick and Howard Hart went 50 yards for a T.D. on the next play from scrimmage. Foster missed the conversion and the score was 19-0. Still in the first quarter, the Andrew's scored again on a run by Macfarlane. The point was missed and the score stood 25-0.

Opening the second quarter, Macfarlane went for another score, his third of the day. West passed to Foster in the end zone and the score at half-time was 32-0. Soon after the start of the second half, the Red scored again as Macfarlane hit pay-dirt from two yards out. Scoring then ceased until the fourth period when Landon threatened a score by getting within the Saints 12-yard line. However, they were held and as the period came to a close, Schneider threw a five-yard pass to Bill Brumbauch in the end zone for the final score of the day and the season, 44-0.
First row: Smith, Spangler, Cottrell, Teuscher, Kadzielewski, Harris, Stuhlmuller, Robbins. Second row: Schulze, Mr. Cameron, Coach, Owen, Anderson, R., Brumbach, Campbell, J., Philippi, Melling, Macfarlane, Captain, Macintire, Pickett, Scherer, Milligan, Abbott, N.

WRESTLING

The St. Andrew's School Wrestling team had a fair season this year winning five and losing five matches. The team was very green, but did well considering the inexperience of the boys. No man went undefeated but there were several impressive records, the best of which was Fred Robbins' 7-1 slate.

In their first match the Saints defeated the Wilmington YMCA. They were up against the Y's Juniors and set them down 33-13, Abbott, Anderson, and Pickett pinned in the first period, and Macintire, Teuscher and Spangler all pinned in the second period. Robbins and Brumbach scored decisions and Macfarlane wrestled to a draw.

A strong Haverford team handed the Saints their first loss by a 39-3 score. Pickett got the only decision of the day for the Saints.

After their defeat at the hands of Haverford the Saints bounced back to take Severn 22-18. Abbott, Teuscher, and Pickett racked up pins, and Macintire, Robbins, Philippi, and Macfarlane decisioned.

After this close win the Saints met another powerhouse in Episcopal High School and sustained its second loss, 28-9. Robbins, Spangler, and Macfarlane decisioned for the only Saint points of the day.

Things became worse in the next match when the Saints lost to Peddie 34-5. Robbins got a decision and Schulze, a newcomer, a draw.

The next week, on dance weekend, the Saints went down at the hands of Penn Charter by a score of 27-11. Macfarlane pinned and Philippi and Robbins turned in decisions.

After this the Saints got back on the winning trail by winning their easiest match of the season from Baltimore Friends, 41-8.

Next the Saints took the University of Delaware Freshmen 23-8. Cottrell pinned his man, and Teuscher, Spangler, Philippi, Macfarlane, and Brumbach all got easy decisions.

The Saints next match was their best of the year. They downed a good St. Alban's team 21-19. Cottrell and Brumbach pinned, and Kadzielewski, Robbins, and Pickett scored decisions. Harris drew. The will to win resulted in victory after a hard fought match.

In their last match of the season the Saints lost to George School 24-12. In this match no pins were scored, but Kadzielewski, Philippi, Macfarlane, and Pickett decisioned. Fred Robbins, after seven straight decisions, lost his first match, a close one.

BASKETBALL

The Varsity Basketball team, led by Captain Bill Luke, had a bad season, winning 5 and losing 10. Bill Luke, Bob Foster, Fred Klutey, Howard Hart, and Doug Evans made up the starting five, while Norris Battin and Shack Kenney were the other two lettermen. Bob Foster lead the team in scoring with 166 points. At the end of the season Doug Evans was elected captain for 1954.

The first game found the Saints losing to a good Tower Hill team 83-44. The first-half was close, but in the last 16 minutes of the game the Red was completely outclassed. Fred Klutey was high scorer, sinking 14.

SAS next met Dover. The Saints played well and came out ahead 46-40. In this game Bob Foster started a streak of four straight games as high scorer as he hit for 16.

Travelling to St. Alban's for their first I.A.C. game, the Saints lost to a mediocre club by a 46-43 margin. The game was close and was decided in the last minute of play.

Sanford was next and the Saints topped them 49-45. It was the best game played by the Saints to date and the contest was hard fought.

Westtown Friends was next on the slate. Coming to Middletown for the first time as a basketball opponent, they downed the Red 51-37. Friends was held even until the last 5 minutes when they broke away from the Saints to capture the win.

The Saints evened their record at 3-3 by beating Smyrna 51-45. In this game Bob Foster tied the individual scoring record of 26 points.

The next game found the Saints meeting the I.A.C. co-champs, Baltimore Friends. The play was completely dominated by Friends as they lashed the Red 56-33. Klutey this time took scoring honors as he sank 15.

Next the Saints lost to Sidwell Friends. Again they were completely dominated by their opponents, the final score reading 78-50 for Friends. Evans had 15 to lead the scorers.

Dover won the next victory over the Saints in a hard fought overtime contest 44-42. Battin was high for the Saints with 12.

The Saints suffered their fourth straight loss at the hands of the usually powerful Salesianum team. The score was 73-37. Again Evans led, scoring 10.

A return game with Tower Hill was only another loss for the Red. This time by a 67-48 score. 14 points made Doug Evans high scorer.

The Red finally got back in the win column as they downed Smyrna again. Klutey got 17 to lead the Saints to a 62-48 win.

Germantown Friends defeated the Saints in their contest 53-44. Pacing the Saints was Doug Evans who had 13.

The high point of the season came in the next contest. The Red defeated Wilmington Friends 70-53. The outcome of the game was never in doubt as the Red put it on ice in the first half. Evans again led, this time with 18.

In its final contest the Red lost to Landon 48-46. It was ahead most of the way, but was overcome in the final minutes. Doug Evans, Captain-elect, ended the season in fine shape as he scored 18 to lead the Saints in a losing cause.
SOCCER

Led by Captain Dan Roudebush, Goalie, the soccer team started off its season by playing Middletown on the Red field. The two teams were equally matched. In the second quarter the Saints took possession of the game as Morgan Beatty scored off an offensive drive. In the third quarter the team scored again. There was no more scoring in the contest and the Saints won 2-0.

Three weeks later the soccer team battled Phelps School, but with no success. The Phelps team took an early lead by scoring in the beginning of the first period. Before the Saints knew what had happened the Phelps team had scored again and had a 2-0 lead. In the third quarter the Saints scored their only goal of the game.

The Wilmington Friend's team provided the Saints with their next opposition. In the first quarter the two clubs battled at each others goals but good defense prevented scoring. Late in the period, however, the Friend's Captain made a beautiful shot for the only score of the game.

A second game with Phelps was next on the Saints schedule. Fate was against the Red again for Phelps scored the only goal of the game to cop the victory, 1-0.

Junior Sports

SIX-MAN FOOTBALL

The "little men" of the SAS football scene, coached by Mr. Broadbent and Sixth Former's Bair and Giammattie, had a good season. In their annual series the Yellows, captained by Marshall, won 4, and the Whites, captained by N. Abbot, 2.

SENIOR 11 FOOTBALL

The Senior 11 team, after getting off to a slow start finished strong and wound up their campaign with a 2-2 record. Peter Kadzielewski, sparkplug of the team, was elected captain at the end of the season.

J. V. FOOTBALL

The J. V. Football team, led by Captain Davy Thombs, had a successful season this year, winning five and dropping only two of its games. As usual the team improved with time until its record of wins was comparable to the Varsity's at the end of the season.

CLUB CREW

The Vikings, coached by Mr. Washburn, rowed to a tie with Mr. Pell's Acheans, however, in the tie breaking race the Acheans clinched the title by crossing the line ahead of the Viking eight.
The SAS track team of 1952 compiled a mediocre record. The first meet was the New Castle County meet in Wilmington. The senior division of the Red Team was unsuccessful in its attempts to score for St. Andrew's, but the Junior section placed third out of nine high schools. Hulick placed third in the 660, Jarvis fourth in the shot put, and a team of Hulick, Jarvis, Macintire and Souther placed second in the 440 relay.

The second meet was with Smyrna High at Smyrna. Smyrna topped the SAS trackmen 65-33. The SAS tally was: Simonides and Teller first in the broad jump and 880 respectively; Simonides second in the high jump; Cain second in the broad jump and third in the 100 yard dash; Jarvis second in the discus; Luke was second in the mile run; Herring third in the 220; Marvin third in the 440 and the relay team of Jarvis, Simonides, Herring, and Teller first in the 440 relay.

Three days later SAS sent a senior team of MacAbee, Ferguson, W., Herring, and Schulze, and a junior team of Jarvis, Hulick, Souther, and Macintire to the Delmarva relays in Wilmington. The senior team placed fourth in the 440 relay. The junior team was fourth in both the 440 and 880 relays.

Junior Sports

J. V. BASEBALL

Mr. Hagerty coached the 1952 J. V. Baseball team to a 4-3 record. Mitchell, the pitcher, captained the team. The team's best hitter proved to be Harry Jarvis, whose big bat accounted for most of the hits.

J. V. BASKETBALL

The J. V. Basketball team had a good season, winning 7 and losing 6. Captained by Mitchell and Thombs and coached by Mr. Washburn, the team was a well organized group, lacking mainly in experience and height. High scorer for the season was Thombs with 133 points.

JUNIOR BASKETBALL

The Junior team, coached by Mr. Hughes and Jake Bair, won one game and dropped four. High scorer Robinson had as teammates: Kimble, Davis, Cole, Lucas, McGiffert, O'Rourke, Jiglet Hulick, Congdon, Mooney, Acton, and Way. The final game with Clayton Jr. High gave the Juniors a 28-20 victory.

SQUASH

While squash this year was not played with a great deal of proficiency, the courts held such notables as Nuckols, X., the champ, and Peterson, runner-up in the tournament.
By beating Baltimore Friends 7-2 the 1952 SAS tennis team extended its string of first match victories to four straight. Sparked by returning lettermen Luke, Clay, Holcomb, and Brumbach, and newcomers Barclay and Clark, the team launched the season with success. In the singles everyone won except for Brumbach who faced extremely tough opposition in the Friends #2 man.

When Barclay came down with the measles, every man on the squad moved up a notch, and playing at home for the first time, the SAS netmen dropped a 7-2 decision to Sidwell Friends. The lone SAS player to come up with a victory was Larry Holcomb. Clark and Battin, however, won in the doubles for the Saints.

With Barclay still missing from the team the "big guns" of the Aberdeen Proving Grounds proved too much for the Saints defence and blasted out an 8-1 decision over the Big Red. Coach Hughes, playing #1, was the only man on the squad able to win. The doubles also went to the Army.

Crippled by the loss of their recuperating #5 man and facing the Army for the second straight week, the rackets found the going tough as the Valley Forge Military Academy defeated them by a margin of 6-2. Playing their worst tennis of the year the team was easily defeated in what should have been a winning match. Tony Clark and Leo Clay were the only ones to mark the win column.

Hurt even more by the loss of Holcomb to the infirmary, SAS found the usually tough Landon team exceedingly so this year in the fifth match of the season. Although they played excellent tennis, the team, with the exception of Danny Luke who played an exceptionally good match, was run all over the courts. Doubles were just as bad with Bahr and Clay losing 6-3, 7-5, and the other two teams losing by a good margin.

The return of Barclay and Holcomb seemed to do no good as Westtown Friends downed the netmen 4½-1½. Due to a conflict of a girl's match and the condition of the courts, the match was completely doubles. Luke and Brumbach played excellent second and third sets to down the host's first doubles combo. The fourth doubles match was unfinished and divided among both teams.

Although voted unanimously the best match of the year, the Blue and White of St. Albans offered too much competition for the St. Andrew's invaders. Barclay and Clark were the only victors for the Saints in either singles or doubles. Although losing, Luke, Brumbach, Holcomb, and Clay all played excellent tennis.
The Red oarsmen were off to an early start in 1952, and were out on the Noxentown by the first day of March. Returning from Spring vacation in top shape, the crew had a long and arduous practice session before the first race with Nutley. The first boat rowed a fast race but lost by two lengths.

Coach Voorhees cracked down on the crews during the next week of practice, and emphasized power rather than the form for which the Red oarsmen are noted. Possibly the coach cracked down too hard on the second boat—they dropped four lengths behind Bellevilles' mile. The first boat had learned its lesson the week before from Nutley, and with some of the vigor they displayed in winning last year’s National Schoolboy Regatta kept a strong Belleville crew along side for the whole of the Noxentown mile, and lost by a heartbreaking three feet. Belleville’s time was 6:07; St. Andrew’s, 6:08.

The following week the Washington and Lee crew came to Middletown to row. The second Saint four lost to the "Rebs" by a length and a half. With oars trimmed just after passing the finish, the St. Andrew’s boat did a dramatic flip and the four thoroughly drenched oarsmen plus one cox had to be hauled aboard the launch. The first boat staged a somewhat less dramatic finish but a much more effective one. Rowing a high 42 for a half mile the Red boat pulled into the lead and won by a deck’s length.

For the next race the Red oarsmen went to Philadelphia to race in the King's Cup race on the Schuylkill River. They got a good start and rowed a brisk 40 for the first quarter to take a good half length lead. This they held until the end of the third quarter where they fell behind the crews of Haverford and West Catholic.
BASEBALL

The Varsity Baseball team had a poor season in 1952 with a four win and seven loss record. Captain Galen Townley led the team at second base, Fred Klutey was at first, Willie Johnson at third, and Howard Hart at shortstop. The battery consisted of "Duke" LeCompte and Willie Johnson pitching with "Doc" Ellis and Hal West dividing the chores behind the plate. The outfield duties were divided among Steve Penn, Cale Boggs, Bob Foster, Henry Roth, and occasionally "Duke" LeCompte, when he didn't pitch. Captain-elect for 1953 was Hal West and LeCompte won the batting trophy. Mr. Schoonover led the team from the bench and will be greatly missed this year.

The opening game this year against Tower Hill was a thriller, with S.A.S. coming out on the better end of a 10-9 score. The game was climaxed by a perfect squeeze play as Fred Klutey laid down a fine squeeze bunt to score LeCompte with the winning run.

In their next game the Saints beat a fair West Nottingham team by a score of 5-2. Boggs and Klutey lead the attack with two hits apiece.

Playing their third game away, the Red and White lost to Wilmington Friends, 2-1, in spite of Johnson's one-hit performance.

Nine days later the Saints easily overpowered Smyrna High School. The score was 12-1 with LeCompte turning in a four-hit performance. West and LeCompte shared the batting honors.

In their first I.A.C. game S.A.S. played Sidwell Friends at home. Catcher "Doc" Ellis won the game for the Saints when he singled home Hart and Walden with the tying and winning runs in the last inning. Score was 11-10.

Next, a strong Valley Forge team visited St. Andrew's and shut them out on a three-hitter, 7-0. Following the Valley Forge game, Landon upset the Saints on the Red diamond. The score was 8-3 and it was the first victory for the visitors. The Saints got nine hits, and made enough errors to allow the visitors to score eight runs on only four hits, and win the game.

Traveling to Tower Hill for a return engagement the Red and White lost 5-4. Except for a three-run homer in the first inning, Willie Johnson pitched an excellent two-hit game.

The following Saturday the S.A.S. team took a long trip to St. Alban's only to lose their fifth game to the I.A.C. champions by a score of 5-2. Bob Foster led the attack with three hits, but the St. Alban's pitcher hurled tight ball to set the visitors down with few runs. However, the Saint's were the first team to have scored any runs off the St. Alban's pitcher in three games.

In their last I.A.C. game, the St. Andrew's nine played St. James at Hagerstown, Md. The fielding by the Red and White was bad. The hitting, with the exception of Julian LeCompte, was poor also. The final score was 9-1 in favor of St. James.
First row: Wade, Bartholomew, Tompkins, Jarvis, McBurney, Oliphant, MacInnes, Hinnant, Dubois.
Second row: Mr. Schmolze, Raborn, Bateman, Harnwell, Baldwin, Lipscomb, Dr. Pell, Hutton, C., Hough, Barnett, Rulston, Ludlow, Spaulding, Dickson, Levington, Swan.
