ST. ANDREW'S SCHOOL
MIDDLETOWN, DELAWARE
1954
ALLAN JOHNSTONE HENRY

Charter Trustee of the Episcopal Church School Foundation, Inc., and its Secretary-Treasurer from its organization until his death a quarter of a century later.

The spirit and traditions of St. Andrew’s School bear the imprint of his wide culture, his devotion to good form and sportsmanship in athletics, and his love of all that pertains to the code of a gentleman and a Christian. We mourn his loss, but his memory inspires us to carry on in his spirit the work to which he gave himself so generously.

—-from Resolution by the Faculty
JOHN ARCHIE CAMPBELL

Member of the Faculty from 1944, Librarian, and Chairman of the Recreation Committee.

Whatever memorial we erect to him here, there is a finer one that each of us can erect in his own life. That is to follow the example of John Archie Campbell in having a real and impelling goal for which he would sacrifice time, comfort, and pleasure; in loving his fellow men and putting first their interests and their welfare; and, as a good soldier and servant, following Jesus Christ as his Lord and Savior.

—from Memorial Sermon by the Headmaster

JAMES CRAIK MORRIS, JR.

Member of the Faculty since 1941, teacher of English and Art, Choirmaster and Organist, Director of the Glee Club, and Sponsor of the Andrean and the Press Club.

In the busy life of Craik Morris, a man distinguished by so many talents, abilities, interests, and convictions, there was always time for the warm and moving friendship for which we will always remember him. We mourn the loss of a versatile artist, a Christian gentleman, and a friend.

—as expressed by his students
The Reverend James Oren Reynolds

It is with a mixed sense of pleasure and sadness that we dedicate the *Yearbook* and say "good-bye" to our Chaplain. In the Chapel "Straight Arrow" has shown us the beauty of holiness and out of it he has been the sort of friend we will always remember.
The Reverend Walden Pell, II

As we near our first quarter-century mark, we salute our pater familias whose spirit has done so much to bring all Saint Andreans into the Christian family which was visualized by the Founder.

CHESTER EARLE BAUM

When we chose Mr. Baum to be our Advisor, we thought that he was the perfect guide for our three remaining years at St. Andrew’s, and he confirmed these thoughts in a very short time.

Any good contribution that we may have made to S.A.S. must be attributed to him because of his tireless planning and his stern management of our form meetings.

By keeping us on our toes catching dictionaries and other carefully guided missiles, Mr. Baum pushed us through Fifth English and into the Sixth Form.

Throughout these three years Mr. Baum has helped us when we needed him and praised us when we were successful. Because of the ever-present interest and support which he has given us, Mr. Baum will always be the subject of our fondest memories of St. Andrew’s.
Ian has spent a large part of his life at St. Andrew's School, not as the result of academic failure, but because he was born here and spent his early years on the campus as the son of a faculty member. Four years ago he returned as a Third Former. It is fitting that he should culminate his career here as the student leader of the school.

From his Third Form year it became evident that Ian was to be outstanding in many ways. It was particularly his well-developed sense of honor and his willingness and ability to serve others which characterized him as a leader then, and which have continued to be the greatest of assets to the school and all who know him.

Whether cooking in the kitchen during a power failure or helping a Second Former over a difficult period in his adjustment, it has been "Ian that handled it." We all want to thank him for his never-failing service to the school community.

The Class of 1954

The second form of nine boys who arrived at St. Andrew's in 1949 began its career ominously by breaking a light in the East Dorm. Challenged by the third form to break their record in marks, we tried our best, but fortunately failed, though we gave our dorm supervisors a trying time. Athletically, Philippi represented the form as a varsity wrestler, and scholastically, Ralston and Sugden put the form on the honor roll.

The next year brought thirteen new members, and as third formers we enjoyed the rather dubious pleasure of living in the South Dorm. Brumbach made varsity tennis and Foster would have distinguished himself in football had he not broken his arm. Philippi again wrestled on the varsity team.

By the fourth form, we felt that things were beginning to shape up. Having lost one member of the form, we gained thirteen more. We served the school as cheerleaders and felt bitterly disappointed when the annual bonfire rally was rained out. Foster and Brumbach led the form athletically by being on the tennis, football, and basketball teams, while Stuhlmuller and Philippi wrestled. During that year, the form came into conflict with the Disciplinary Committee a good deal, and some boys did their bit by picking up three D.C.'s in one week. However, we felt sure that this would not continue, for that year we elected Mr. Baum our form advisor.

The next year we were fifth formers and as such were awarded the privileges of the fifth form corridor. We had grown to 39 members and threatened to be the biggest form in the school's history. We had the fun of putting on our own dance and the "old timers" couldn't remember a better one.

This year as seniors we finished the race under the leadership of praefects MacInnes, Baxter, Foster, Liefeld, Speer, and Stuhlmuller. We made good our threat to be the biggest form in the school's history by gaining a foreign exchange student. Jean Orizet has been a very welcome addition and we hope that he will always remember, even slightly, the class of 1954.

The five years spent at St. Andrew's have not been easy ones, and it's hard to say whether they have been entirely successful. It is certain that we shall always remember S.A.S. for the understanding, cooperation, and guidance we have found here.

ATHLETICS
Although the Saints’ varsity football squad cannot boast of an enviable record this season, the team, its captains, and the coaches deserve much credit for the hard work done and the great spirit maintained throughout the season. Unfortunately, the team faced hard luck as well as superior competition in the majority of its contests.

The Saints dropped their first game to Sidwell Friends, 39-14. The Red showed only occasional spurts of good teamwork, scoring once in the third quarter and once in the fourth. Spangler scored the first six points on a handoff, and Foster converted for the extra point. In the last quarter, the Saints’ attack was more effective than in previous periods, despite a sixth Sidwell tally. Foster carried the ball for the final SAS TD after a series of running plays had brought the ball to Friends’ four yard line. His extra point try was good.

SAS showed improvement in the following game, although they dropped a thriller to Baltimore Friends, 13-7. Friends were the first to break into the scoring column, getting their TD on a 20-yard pass. By sheer drive and several beautiful passes, SAS battled for a score in the third period. Foster’s kick tied the score at 7-all. In the early moments of the fourth quarter, a Friends’ tackle intercepted a lateral intended for Spangler deep in SAS territory and scored easily. The conversion was blocked. The Saints managed to push across another touchdown in the closing moments, only to have it nullified by a penalty. The game ended with SAS battling to score and Friends fighting to hold its lead.

On October 10, the Big Red lost its third consecutive game in a hard-fought contest by a score of 25-7 at Sanford. After the ball had changed hands several times, Sanford tallied on a series of line bucks. Four plays later, Sanford scored a second time and converted, making the score 13-0. In the second period Sanford shifted to a passing attack and scored again. The try for point was blocked, and the score was 19-0.

Sanford’s fourth tally came on a 57 yard run in the third quarter. Early in the fourth period, the Saints drove to the Sanford 13. Two line bucks by captain Brumbach gained the Red its first score of the game. Foster converted, making the score 25-7. Penalties and blocked passes prevented the Saints from scoring again, and the contest ended with the score unaltered.

The next game, with Wilmington Friends, was perhaps the most evenly contested game the Saints played all year. The Saints received the opening kick-off, and on the second play from scrimmage a beautiful pass from Brumbach to Battin went 60 yards for a TD. In keeping with the now firmly established SAS jinx, the touchdown was called back on a back-in-motion penalty, to the great dismay of the screaming St. Andrew’s fans as well as to the team. Although the Saints continued to fight, they were trailing at the end of the first half, 13-0.

A newly inspired squad left the dressing room to enter the second half. The first official SAS score came on a line plunge by Brumbach in the middle of the third quarter after a series of passing and running plays had clicked. The kick was wide. Midway in the last period, a tricky reverse by Spangler and Foster netted the Red 60 yards and put them five yards away from pay dirt. Three plays later, Spangler rocked up the TD on a handoff. The conversion, which proved to have been
the difference between a tie and a defeat for the Saints, was blocked. When the game ended five
minutes later, the ball was still in the possession of a determined Friends team.

Traveling to Philadelphia for the next one, the Big Red lost their fourth game to Friends
Central, 28-0. Everything went wrong for the delegation from Middletown—and that seems to be
the whole story. Towards the end of the third quarter, Coach Baum put in the second string, and,
until the final four minutes, these boys played the best SAS football of the day. The members of the
team agreed that the following week of practice would be a hard one, and they were right.

With the St. Alban’s game just two weeks away, there was much work on fundamentals. For
the first week of practice, “Block!” and “Tackle!” were the battle cries of Coaches Baum and
Washburn. The elements, however, did not favor the Red’s only chance for victory, and over Fathers’
Weekend the St. Alban’s contest was snowed out. Everything possible was done to enable the game
to be played, even to the team’s shoveling the snow off the field before the game, but to no avail.

The next week, practicing mainly in snow and mud, the Big Red completed workouts on new
formations in preparation for the coming tilt with St. James. Although the Saints did not succeed
in winning, they played their best game of the season against a highly favored St. James team the
following week, losing 13-7. The Big Red took command from the very first and drove toward the
St. James goal with a series of line plays. Stopping the Saints just short of a TD, the opponents
counteracted with a sustained drive which culminated in a touchdown pass. The kick was good, and
St. James was out in front, 7-0.

The Big Red retaliated in the second period as Cain went off tackle for a score. Foster converted,
and the score was tied at 7-7. St. James scored its second TD of the
day after a fifty-yard march, largely due to the accurate passing of their quarterback.

Still very much in the game, SAS took the kickoff, and after steady work on the middle of the
St. James line, succeeded in working the ball into scoring position. Just as the crowd was yelling
itself hoarse in anticipation of a game-tying touchdown, a miscue in the Saints’ backfield resulted in
a heart-breaking fumble, with the ball nesting all-too-snugly in the arms of a Hagerstown back, who
proceeded to move it out of his own end-zone up to the forty where he was brought down from
behind. Time soon ran out with the Big Red still on the short end of the score.

The final game of the year was played against Landon School at Washington. This game is the
traditional encounter between the two schools, with the famed “Pink Elephant” going to the winner.
Up to this game, SAS was two victories ahead of Landoo in the series which started in 1932. There
have been two ties in these yearly tilts.

When the Red left for Washington, they knew that they had a tough game ahead of them, for
Landon was very highly ranked among the Washington teams. Their fears proved to be well founded,
as the Landon aggregation completely dominated the Saints, 46-7. The game played by the SAS
team seemed to be a throwback to earlier in the season when lack of organization proved to be the
Red’s downfall. Landon scored almost at will, using both a strong passing attack and a powerful
running attack to good advantage. The only St. Andrew’s touchdown came in the second quarter
when Thombs sneaked the ball over from the two and Foster converted.

Although the season was a losing one, everyone agreed that there could not have been better
leadership on the team. Foster and Brumbach constantly kept the spirit high, an extremely hard job
to accomplish with a team that is losing every Saturday. The coaches, too, deserve the highest praise.
They were always behind the team 100% and never lost faith in the squad. Leadership also looks
good for next year, as do prospects for the team, under Co-Captains-elect Jim Spangler and Harry
Jarvis.
JUNIOR VARSITY FOOTBALL

The St. Andrew's Junior Varsity season was fair, as Coach Hughes' team won three and lost three for a .500 mark. Though the Little Saints were outscored on a season basis 84 to 53, this total is not indicative of their ability. In the first game of the season, played at New Castle against William Penn, the squad was up against a team which greatly outweighed it. After star guard Bob Richards was injured and removed from the game, the defense deteriorated. When the game was over, the score was 40-0 against the Little Saints. The team came home anxious to work harder to erase this defeat from their record with a win in their next game.

The second game of the season was played against a strong Caesar Rodney team. The Little Reds ran roughshod over the Riders. Touchdowns were scored by Close, Robinson, and Nuckols. Macintire and McGiffert contributed one extra point each. The team had avenged its initial drubbing with this win.

The third game of the season was played against Tower Hill. The J.V.'s played a hard game only to lose, 12 to 6. A 45-yard pass from Teuscher to Close capped an 80-yard march early in the fourth quarter to account for the Little Saints' lone touchdown of the game. Tower Hill scored two touchdowns on reverses. The extra point attempts were unsuccessful for both teams. Though the team was slightly outsized, they did not allow that to daunt them. They fought right up to the final whistle of the game.

The next game was played against Wilmington Friends. This game between the Saints and the Quakers was perhaps the closest of the season. The Quakers had a statistical edge on the Little Saints on the basis of their one touchdown win over Tower Hill several weeks before. Though unwilling, the Junior Varsity was the receiver of the bad breaks during the game. They dropped the game by the heartbreaking score of 13 to 6. More than once the Jayvees were within five yards of the opponents goal. The final play of the game was a thriller. Bob Nuckols intercepted a pass on his own 10 yard line, and raced 88 yards to be tackled on the 2 yard line.

The Jayvee reached its peak when it topped Sanford at SAS three days after the Wilmington Friends game. The Jayvee was clearly in command of the game during the entire first half, in which the SAS eleven rolled up 20 points. The second half was played equally well, and in the third quarter both teams were held scoreless. The Sanford offense finally started to roll in the fourth quarter. The Sanford attack was aided by a trick play which the team had not seen before. The attack garnered Sanford two touchdowns and one extra point. Nevertheless, the final score was SAS 20, Sanford 13.

The final game of the season was won by a forfeit when the team we were to play told us that the game had been cancelled when we arrived at the scene of the game. This game which we won by forfeit (from St. Peter's) rounded out our season and assured us of our .500 finish.

The headcoach, affable Blackburn Hughes, was ably assisted by his two line coaches, Mr. Chamblin and Mr. Pell. The team was managed successfully in the eyes of all — with the exception of those who desired Manager Webb or his assistant Al Pierce to provide cold water at the practices.
The Sr. 11 squad this year, handicapped by a lack of experience, lost all four of its games to faster, older, and more skillful teams. On Oct. 6, the team opened its season with a 30-0 loss to Middletown on the home field.

The second game, against William Penn, a fast team with a lot of football knowledge, was hard-fought but dropped, 20-0.

The Midget Reds journeyed to Wilmington Friends on the 2nd of November and played the best game of ball they had played all year, but were overpowered by a much larger team and lost, 23-0.

In the final game of the year, a return match with William Penn, the team showed the tremendous improvement in playing skill which it had made under Mr. Weigand, but did not show any improvement in the prevention of enemy touchdowns and ended the season with a 27-0 loss.

This year's Six-Man football squad began its battle for the cake in October after a period of practice scrimmage. The first game, an exciting contest decided in the last few minutes of play, was won by the Red team under the able leadership of M. Quillin. In the next games, however, the Yellow team, sparked by the invincible John D. Cogswell, took and maintained the series to end the season the winner of the cake.

The Soccer Season

Led by co-captains Kit Cain and Charley Barclay, the 1954 soccer squad wound up the winter term undefeated. In the first game with Phelps, the teams, very evenly matched, managed to score one goal apiece. The Saints came through, however, in an overtime period, to break the tie and wind up the game with the score 2-1.

In the next game, an unusually good scrimmage with a Middletown High School team, the SAS team scored 4 goals to Middletown’s 2.

Two weeks before the end of the season the squad again played Phelps School, this time on the Phelps field. The Saints scored early in the game and then again in the third period. Phelps also scored in the third quarter.

In the last game of the season, the SAS second team played a much improved Middletown squad to a 0-0 tie.

Unfortunately, the two games scheduled with Wilmington Friends were both forfeited by Friends because they were unable to get to SAS on the days of the games.
The 1954 wrestling season was considered a successful one, even though the record of three wins and six losses might not indicate so. All of the matches were hard-fought, and many were not decided before the final two or three bouts. Prospects for the '55 season look good, as the Saints lose only Campbell and Captain Tony Philippi. The returning squad will include such stalwarts as Cogswell, Harris, Kadzielewski, Price, Teuscher, Turner, Spangler, and Rodgers.

For their first match the Saints journeyed to Germantown, Pa., and handed Penn Charter a 24 to 16 defeat, revenging a loss of the previous season. Cogswell and Campbell pinned in the first period, while Spangler pinned in the second. Teuscher, Turner, and Philippi all racked up strong decisions.

The next match was more closely contested, the Saints being the victors over Wilmington YMCA, 27-23. Cogswell, Kadzielewski, Price, and Turner all picked up impressive first period pins, while Smith got a match saving pin in the second period. Rodgers tied his heavyweight opponent.

S.A.S. sustained its first loss of the season, 23-15, when it sent a crippled team to Peddie in New Jersey. Teuscher was the only St. Andrean to pin. Cogswell and Macintire decisioned while Harris and Veasy tied.

The Saints’ second loss, 24-14, came at the hands of a strong Episcopal High School squad the following week. Price, Teuscher, and Captain Philippi decisioned while Spangler contributed a lone pin.

St. Andrew’s hit the winning column for the last time when they defeated Severn, 20 to 13. Price, Teuscher, Spangler, Philippi, and Rodgers all decisioned. Harris added five points with his third period pin.

A fairly powerful aggregation from Haverford School handed the Saints their third loss, 24 to 13. Harris pinned his opponent in the second period, and Spangler pinned in the third. Rodgers decisioned in the unlimited weight class.

The Delaware Freshmen squad proved to be a little too strong, and the Saints suffered their worst defeat of the year, 24 to 6, despite some very close bouts. Wrestling an exhibition at 117 pounds, Macintire pinned his Delaware man in the first period. However, the other freshmen turned out to be a good deal less cooperative, and the only winners that counted for St. Andrew’s were Turner and Philippi, who decisioned.

Seeking revenge from the defeat earlier in the week, the Saints wrestled hard against undefeated St. Alban’s. Nevertheless, the St. Alban’s group proved their superiority in conquering the Red very decisively, 29-9. Cogswell and Teuscher both tied their opponents while Scotty Turner wrestled a very aggressive bout and pinned his man in the third period.

The last bout of the season was perhaps the most thrilling. Wrestling another undefeated team at George School, St. Andrew’s demonstrated a terrific will to win, coming from far behind to tie the score. The match was undecided until the last bout, after which a highly elated George School team left the mats victorious, 21 to 16. Cogswell started the match with a close decision, but his three points stood alone until Teuscher decisioned his man. This provided a sorely needed spark. Turner followed suit with three more points. Spangler scored an exciting pin and Captain Philippi tied to total 16 points, but St. Andrew’s was forced to be content with driving George School hard to keep their squad undefeated.
The Varsity basketball team had a fair season, finishing just short of the .500 mark with 7 wins and 8 losses. Captain Doug Evans led the team in scoring with a season total of 256 points, barely missing the school's all-time record.

The first game of the season was played at Tower Hill and lost, 54-40. The Saints were outscored in every period but the last, when they picked up five on the 19 point lead held by the Green at the end of the third quarter.

In the season's home opener four days later, Evans and Shack Kenney chalked up twelve points apiece to lead the Big Red to a 45-40 win over St. Alban's. The Saints took a commanding 14-point lead in the first half, and held it to win handily, 52-40.

Against Sanford, Evans scored 23 as the SAS team won its second game of the season. The Saints took an 14-point lead in the first half, and held it to win handily, 52-40.

At Westtown, the Red ran up against one of its most powerful opponents of the season and lost, 70-39.

On the Smyrna court, the Saints saw a third quarter seven point lead dwindle to nothing, as the Eagles finished strong and tied the score in the last few seconds of play at 57-all. However, a foul dropped through, and the game was won, 58-57. Norris Battin took scoring honors with 18 points; he was followed by Bob Foster with 16.

Against Landon, Battin and Evans were the only ones to break into double figures, with 11 and 10 points respectively, as the Big Red dropped its third game of the campaign, 57-41.

The next game was played against an extremely powerful Baltimore Friends aggregation, and was likewise lost, by a score of 76-50.

The next game, a return match with Tower Hill, proved to be more to the Saints' liking than the first, as Evans racked up 24 points and the Red won, 50-49.

A return game with Smyrna was also more in favor of the SAS team, and the Big Red left the court with an eleven point win over the Eagles, 59-48.

The Germantown Friends game turned out to be another close contest, but this one-pointer went the wrong way, and Friends won, 48-47.

At Wilmington Friends, Bob Foster scored 17 points to cop scoring honors for the day, but this was not enough, as Friends won, 54-50.

The Sallies of Salesianum were the next to invade the SAS court, and they also went away victorious on the long end of a 66-56 count.

The next game was played against Boy's Latin, who won the fourth straight game lost by the Big Red, 82-45.

At Caesar Rodney, Doug Evans scored two points in the first half, and then sank eleven field goals in the second half for a total of 26 points for the day. This 26 was the highest individual score of the season, and was invaluable in handing Caesar Rodney a 76-64 setback to stop the Saints' losing streak at 4.

The final game of the season, played against George School, was the fourth game to be decided by one point, three of which were won by the Big Red. In this one, Evans scored 16 as the Saints won, 44-43.

A good season is predicted for '55 under the leadership of Co-Captains-elect Dave Thombs and Phil Butcher.
In defeating the University of Delaware freshmen 7-2 to open the 1953 campaign, the SAS varsity tennis team ran its string of first match wins to 5. Well-coached by Mr. Hughes and Mr. Hawkins, and with four of last year's lettermen returning—Bahr, Barclay, Battin and Brumbach—the team got off to a good start, with only Brumbach and Bahr, playing in the No. 1 and No. 2 positions, losing to the college boys.

In the next match, the Saints faced tough opposition in Gilman, but managed to pull out a 5-4 victory. The first three singles matches were lost, but of the doubles, only the Walden-Battin combination was beaten.

The Big Red netmen then traveled to Baltimore, and made it a successful journey, defeating Baltimore Friends, 7-2. Bahr, playing No. 1 in place of the infirmaryized Capt. Brumbach, was the only singles loser, while the Bahr-Clark combine failed to come through in the doubles.

Continuing in their winning ways, the SAS racketeers, still minus their No. 1 man, nevertheless shut out Sidwell Friends, 9-0. Barclay and Walden were the only ones to have to go three sets to win.

In the next match, Walden, one of the two Big Red netmen still undefeated in singles play, met his Waterloo against Westtown Friends, losing along with the doubles team of Brumbach and Barclay. These gave Westtown its only two wins on another victorious day for the Saints. Barclay, the only other unbeaten member of the team, had his match canceled, as did the recovered Brumbach. By winning this one, the Big Red team took its fifth straight match of the season.

However, all good things must come to an end, and this winning streak was no exception. The fatal blow was struck by a powerful Haverford team, who won decisively, 5-1. Brumbach was the only member of the team to chalk up a victory.

Just four days later, St. Alban's visited SAS, and the Blue and White went away happily—with an 8-1 win to take home. This time it was the doubles team of Bahr and Clark who were the only ones to break into the win column.

A week later, the Big Red took its revenge on St. James, shutting the Hagerstowners out, 7-0. In doing this, the SAS netmen extended their scoring streak to forty outside matches. The last time they were shut out was by Landon in the first match of 1947.

The faculty match was played on May 27, with the School team winning, 5-2. In the singles, Brumbach was the only loser, being beaten by Mr. Hughes. Bahr, Barclay, Walden, and Kenney all won. The doubles team of Battin and Walden won, but the Brumbach-Barclay combination lost to Mr. Washburn and Mr. Hughes.

This win gave the Saints a fine overall record for the season of seven wins and two losses. An even better season is predicted for '54, since the only member of the team who is not back is Walden.
The varsity baseball team opened its 1953 season at Landon. Clayton Mitchell pitched a tight game for the Saints, allowing three runs on five hits. He gave up no walks. In the fifth inning, a Landon batter laid down a squeeze bunt along the third base line. Third baseman Howard Hart tagged the runner at home, but the umpire's disputed call was "Safe!" This increased Landon's slim lead to 3-1. St. Andrew's pushed across a run in the sixth inning, but the score remained a close 3-2 when the game ended.

The next game was played at home against Wilmington Friends. St. Andrew's managed to get only one hit, a single in the first inning, but the Friends' pitcher proved to be extremely wild, and taking advantage of nine walks, two errors, and two hit batters, the Saints racked up a 7-4 victory. Jake Bair was the winning pitcher, walking seven and striking out eight.

The next game, against Gilman, turned out to be similar to a nightmare. The Saints scored four runs on hits by Hart, Close, Penn, and Klutey, but the entire team fell apart after three innings. SAS pitchers gave up thirteen hits and nine walks, while the fielders committed thirteen errors. The final score was 22-4, in favor of Gilman.

On Tuesday of the following week, Smyrna invaded the SAS diamond confidently, but left dejectedly on the short end of a 10-6 score. The Saints scored 4 in the first, 4 in the second, and 2 in the fourth, while the Eagles acquired 1 in the first, 2 in the second, 1 in the fourth, and 1 in the seventh. "Chuck" Close maintained his RBI lead, driving in the fifth and sixth runs. Clay Mitchell pitched a tight game, allowing only four hits and no walks. The victory was the second out of four games for the Saints.

On the following Saturday, the Big Red journeyed to Washington, only to lose to Sidwell Friends, 7-1. Friends scored seven runs in the first five innings, while the lone SAS tally came on a homer by Hugh Cannon in the sixth. In addition to his home run, Cannon smacked a triple, but the hitting of his teammates was not sufficient to pull the game out of the fire.

The Saturday of Dance Weekend, Dover visited Richardson Field. Bill Beatty started on the mound for SAS, but was taken out in favor of Mitchell. Bob Foster brought across a run for the Saints in the first inning, but Dover scored three in their half of the second. The Red retaliated with two to tie the score at three-all. Dover climbed on the see-saw again, and scored two in the third to lead 5-3. The Saints came back with one tally in both the third and fourth innings, to deadlock the score a second time. At this point the rain, which had threatened all afternoon, arrived, and the game was called after four innings, with the score 5-5.

The Saints' next victim was Tower Hill. Playing at home, the Big Red nabbed an easy 9-5 victory behind the strong hurling of Clayton Mitchell. In the first, after the Saints had already scored twice, George Lodoen smashed a tremendous home run over the road in left field with a runner on first base. Harry Jarvis raised his average, getting four hits in four appearances, while Captain Hal West went two for three, and Hugh Cannon had two for four. The Saints scored their nine runs on a total of eleven hits, one walk, and six Tower Hill errors.

The last game of the season was played against a highly reputed St. Alban's nine. Jake Bair started, but was removed for Mitchell after the St. Alban's team scored six runs in the second inning. Four more runs in the sixth gave St. Alban's a 10-0 victory.

The team improved greatly throughout the season, under the capable direction of "Peanuts" Riley, the only outside coach the school has ever had.
VARSITY CREW

The 1953 varsity crew had a fair season, with the first boat winning one out of four races and the second boat winning two out of four. There was a great lack of experience in the crews as a whole, as there was only one returning letterman on the squad. All the boys in the first boat had been varsity the preceding year, but in the second, only one had previous varsity experience. The other three came up from the club crew ranks.

The first race of the season took place in Washington on April 25 against Washington and Lee High School. Arthur Wright, Ward French, Sandy Macfarlane, and Charlie Pickett rowed first boat and Kit Cain, Harrison Owen, Tony Philippi, and Derek Hulick rowed second boat. Both boats lost, but the race proved to have given valuable experience. The following week, the crews traveled to Bellville, New Jersey. The first boat lost by about one length and the second boat won by the same margin. Dance weekend saw Nutley High School of Poughkeepsie, New York and Arlington High of Bellville, N. J. rowing against the Saints. SAS took a clean sweep of all the races, winning by one and two lengths respectively.

Two weeks later, the crew went to Philadelphia for the Stotesbury Regatta. Both boats lost by a good margin, which was mainly due to drawing a bad lane. Retiring Captain Charlie Pickett predicted a much better season in 1954 under the leadership of Captain-elect Kit Cain.
CLUB CREW saw two unusual events take place. The club rowed against an outside opponent, The New York Institute for the Blind. The Viking four beat the Institute’s four by five lengths in a 3/4 mile race. To even up the score, the Institute sculler beat George Mitchell in a 1/2 mile singles race. The second rarity of the season was the winning of the club tournament by the Vikings. The Viking eight had a disappointing tendency to start slowly and then pick up speed, gaining fast on the Acheans in the last quarter mile, but never quite making it. The Viking four, however, had entirely different tactics. They started fast, kept going fast, and won all their races with about seven lengths separating them from the Acheans. Since the eights rowed only four races, and the fours rowed five, the final score in the series was 5-4 in favor of the Vikings.

JUNIOR VARSITY TENNIS had a poor season, winning one and losing two. In the first match of the campaign, played at SAS, the Little Red lost to Gilman, 7-2. Dunning was the lone victor in the singles department, winning 6-2, 6-4, while the doubles team of McGiffert and Shettle took the only other SAS win, 6-3, 6-4. The next match was played against Tower Hill, and lost by a 5-2 count. Baxter and Hutton won the only two matches taken by the Saints; Baxter by 6-3, 6-1, and Hutton by 7-5, 6-2. The last match of the season, and the only one won by the Little Red, was played against Wilmington Friends at Wilmington. The Saints took both doubles matches, with the Dunning-Hutton, C. team winning, 3-6, 6-1, 6-1, and Hutton, P. and Shettle winning, 6-5, 3-6, 6-4. Of the five singles matches, two were won by the SAS netmen, Hathaway by 6-4, 4-6, 7-5, and Peterson by 6-3, 7-5.

JUNIOR VARSITY BASEBALL started the season with two wins, but despite their good start, ended the season with a 3-3 mark. The first two games saw good pitching and hitting in a 10-5 decision over Tower Hill and an 11-3 win over Middletown. Phil Butter was the winning pitcher in both contests and was backed by the strong hitting of Capt. fell Davis, Rick Teuscher, and Mike Veasey. Traveling to Dover for the next game, the Little Reds piled up a big lead in the early innings and watched it dwindle to nothing as the game progressed. The game went into extra innings and finally Dover pushed the winning run across to win by the tight score of 13-12. In their next game, the J.V. played a much improved Tower Hill team. The game ended 8-3 in favor of Tower Hill and the J.V. had a 2-2 record. The next game saw Jerry Scherer pitch a one-hitter and strike Bill Cameron out three times in a 10-2 win over Phelps School. In their last game, a return match with Middletown, the J.V.’s lost a game sparked with bad feeling by the close score of 6-5. The aftermath was spectacular. With this game, the J.V. wound up the season with a fair 3-3 record.

JUNIOR VARSITY BASKETBALL, led by Captain and high scorer George Lodoen, broke even on the 1954 campaign, winning 6 and losing 6. The Little Reds opened the season with a 34-24 loss to Tower Hill. They then met and defeated Sanford on the home court, 45-39. The next game was played at Westtown and lost, 49-33. Against Smyrna, SAS took an early lead and held it to win going away, 47-33. Against Bayard, Lodoen racked up 23 points for the individual scoring record of the season, to lead the J.V. to a 39-28 win. The second Bayard game was more one-sided, as the Little Red won 47-32. A return match with Tower Hill on Dance Weekend was again dropped, 33-31. The J.V. then won two in a row; over Smyrna, 39-35, and Germantown Friends, 44-43, and then lost, 61-40, to a powerful Wilmington Friends team. The final two games of the season were also lost, the first to Salesianum, 32-23, and the last to Caesar Rodney, 33-28.

JUNIOR BASKETBALL played two games, both with Bayard Junior High School of Wilmington, and lost both. The first, played at home, was close, with the Midget Reds leading by one point until the final minute of play, when a two-pointer dropped through to give Bayard a 15-14 win. Fred Case was high scorer with four points. He was followed by Thomas with three. The second game, played at Bayard, was not so close, with the Wilmington boys controlling the ball throughout the game and coming out on the long end of a 32-22 score. Case and Dave Baxter tied for scoring honors with ten points apiece.
