There is no member of the St. Andrew's community, past or present, who does not share a heartfelt sense of gratitude and affection for "Ma" Heater. She has always been ready to do that "extra" kindness for each of us regardless of the vast amount of work already piled before her. We wish her every happiness.

COMPLIMENTS

WHERE THERE'S SMOKE . . .

OF THE

SIXTH FORM
In the four years that Mr. Vrooman has been our advisor he has shown a keen and devoted interest in our class, both as a form and as individuals. Although he has never dictated to us, he has always made available his steadying influence and sound judgment.

To you, sir, the Class of 1960 extends its sincere thanks.
CHARLES C. SHENK, JR.

All of us are indebted to Chick for his outstanding leadership. As Senior Praefect he has guided the school with competence and understanding. He has never been too busy to give help, and by his patience and good humor he has captured and held both our respect and our friendship.

His influence has spread throughout the many activities which he has served. He has played a key role in School Government, particularly in bringing new stature and significance to the honor code. With all of this he has distinguished himself as an athlete where he has served three varsity sports with characteristic energy. Those of us who remain behind are happy that Princeton is no great distance away.

II FORM YEAR
The Class of 1960 entered the East Dorm in 1955, 18 strong of whom we will graduate 10 this year. Most of our waking hours were spent placating an all-powerful VI Form, but we somehow found time to participate vigorously in all junior athletics and to try many of the extra-curricula activities. Fisher and West led the way athletically by winning their numerals in tennis and baseball respectively. West also won the Most Improved JV Batsman award and Fisher the Junior Tennis Trophy.

Our Form more than doubled to 37 as we moved to the South Dorm, where we found that our increased numbers gave us a much greater hacking potential. We kept four supervisors in two dorms continually jumping with incessant water fights, riots, and gang warfare. Fortunately, we had the wisdom (or luck) to choose, almost unanimously, Mr. Vrooman our Form Advisor early in the fall term; and he immediately began a subtle campaign to instill some much needed maturity into our group. We were also wise enough to choose a new boy, Shenk, as our Form President—a choice we continued to make for the next four years. Fitchett became our first varsity representative, joining the football squad; and Terry became our first letter winner by gaining the State Wrestling Championship at 120.

Moving to the corridors we lost some members, but with the addition of Coward, Deschamps, Houston, Bill Long, Stives, Voorhees, and Wayne our ranks rose still farther to 39. The year was marked by a growing Form unity and pride, evidenced by our winter term peroxided hair revolt, corridor supervision by our own officers in the spring term, and growing contribution to all phases of school life. Fitchett, Hammond, and Shenk won their letters in football; Fisher in soccer; Hammond and Terry in wrestling; and Fitchett, Shenk and Walke in crew. Academically we ended the year with 18 in Honor Groups led by Beverley, Onderdonk, Walke, and Wayne with Second Groups and Murray with a First Group.

We were joined on the Fifth Form corridor by Appell, Dowd, Faux, Gallagher, Randy Johnson, Woodruff, and Wright, bringing our total membership to 42. We held a very successful Spring Dance under Walke and Hammond with a highly original theme—Sing-sing. Under Shenk and the other officers, we survived minor corridor crises and turned our energies more and more towards athletics and our grades. Appell, Dowd, Donovan, Houston, Chuck Johnson, King, Pool, and West joined our football letter winners; and, under Co-captain Fisher, Deschamps, Faux, and Hassan added soccer letters to the Form. Fisher was again chosen captain. Bob Hance led a largely fifth form JV football team to a 6-0 record—the year's only undefeated squad. Wrestling saw Appell, Deschamps, and Houston add letters, and Terry was chosen captain for 1960. Basketball called Coward, Fisher, and Pool, and Pool was named captain-elect. In crew King added a letter and Walke became captain for 1960; tennis awarded Fisher a letter and the 1960 captainship; and in baseball Bear, Donovan, Pool, West, and Young won letters and Coward was elected the 1960 captain.

Academically, Randy Johnson led the Form with a First Group, followed by Beverley, Murray, Onderdonk, and Wayne with Second Groups and Bear, Coward, Deschamps, Donovan, Engstrom, Faux, Hance, Walke, Wright, and Young with Thirds. Gordon Appell, Carl Bear, Laury Deschamps, Bob Faux, Carl King, Mike Murray, and Steve Walke were appointed Prefects for the Sixth Form year and Chick Shenk was appointed Senior Prefect. Deschamps and Murray took the South Dorm, Appell and Faux the East, Bear and Donovan corridor "D," Fitchett and King corridor "B," and Shenk and Walke our own corridor.

In the fall of 1959, 39 seniors returned determined to show the school just what they could do. In athletics, the Sixth Form has led the school in a 4-3 football season, under Captain Mike Donovan, an 8-1-1 soccer season, and a 10-1 wrestling season, which has also seen the school gain its fourth straight State Wrestling Championship. Randy Johnson, John Beverley, Charlie Wayne, and Bob Faux have continued to provide outstanding scholarship; and under the Prefects and the heads of activities, the school has, we hope, enjoyed a rich, full year.

In closing, we would like to extend our warmest thanks to Mr. Moss, Mr. Vrooman, and the entire faculty for the guidance and knowledge they have so unselfishly given us; and we hope that the Class of 1960 will be as happily remembered by the school as we will remember SAS.
Dear Jack,

For many months an event important to our family all the years away from you was the sixtieth anniversary of the class of 1930. It was celebrated in New York, where we have several relatives, and I think that you might be interested to know that the essence of the event was a gala function where we all dressed up in our class attire.

To make matters short, we decided to head west, and I decided to look up as many of the old classmates as possible. My success was commended, and I now find myself on this Shipping List with a collection of the recent events that have fallen from my memory without a word ever being heard about them. Thus, I write to you a tale of the class of 1930 in 1970.

Starting at the beginning, I left Narae University on December 28 after spending a few days with Earl King, the by now well-known oil king, who is presently drilling off the Texas coast with the greatest success. After a visit to Chicago where I stopped off for the new meeting for New Orleans, I joined forces with Jack.

The old Creole town of V.L. still as lively as ever, and the piano at WEHR still going strong. My evening's club was the awe-inspiring establishment called the Old Club and the poetry reading, but the night I was there, I heard the 'The Ekel' Young Federation perform one of the pooms heard by that great jazz saxophonist Brian Flaherty. The following evening was interrupted briefly by a water-laden episode by Western Wisconsin, Illinois, and "Skinny" Johnson.

After dinner, I made a quick hop south to Brazil to check up on Woodrow and Jack, who have gone into business selling tickets and band poetry to their ancestors, the native population.

At the time I arrived on the coast to the states led me to discover old Our friends, who operate a detective agency of little repute, had been working on a case, (for Samoan War).

Not particularly impressed with this find, I was glad to discover, once I arrived in New York, that Narae Johnson (hp) & Company are engaged in protecting a ship that is to meet, at that time, old H.O.T. himself.

Two who long ago in general less successful, was arrested when he was under the care of Dr. Hill long after having driven his new engine away to some revolutionary company. He is now engaged in some sort of research at Ring. I'm told that this a ten-year project.

From V.L. I was off to Sweden and a short visit with Tom Drum in his country mansion from which he controls the world wide chain of stores. He told me about printex and Reichard and recommended that I stop off and look in on their printing office from which they issue a series of greenleaf type of publication called "Stir". I salute doing most of the printing for the New York's hard art work, and believe that they seem to have cornered the market in the Scandinavian country.

Now Louis Armstrong, the continental drummer, in a Paris Hospital where he is under the care of Dr. Hill long after having driven his new engine away from the hospital, has been released from his hospital bed after a year's stay.

I couldn't resist stepping off at Cretaz a few weeks later to see what Louis had described as the fondest eight in years. It was, for those, on the balmy isle, I found one O. Appley, a bond servant to the New Ring Farce. Louis has

Send his little boy home on the old sailing ship in the cater of the sun. But it means the routine that has been the usual evening and other places that most brothers would never be able to enter.

As you know, the Peer Group, I said a close friend to the New Israeli President, which is the same thing as saying that of the Peer Group, he is the same thing as saying that of the Peer Group,

Tom Ford and Jack have a distant relative living in Palo Alto, a few miles away. Louis and Palm have a Scotsman living in the same house. They are currently working on a book of the old ship's crew.

A month or so later, I can write to you now, demand the writing of the old ship's crew, and the writing of the old ship's crew, and the writing of the old ship's crew.

I later found out that the dancing is almost never stopped, and the dancing is almost never stopped, and the dancing is almost never stopped.

I later found out that the dancing is a perpetual dance, and the dancing is a perpetual dance, and the dancing is a perpetual dance.

To date, the dancing is a perpetual dance, and the dancing is a perpetual dance, and the dancing is a perpetual dance.

Best regards to you and EDP.

VARSITY FOOTBALL

Under the leadership of Captain Mike Donovan, the 1959 varsity football team posted the best record compiled by a St. Andrew’s team since 1952. Included in the team’s list of four victims were three Quindepen-dent League foes, as the Saints moved from fifth to second in the newly-formed conference. The line-blasting of Big Red’s hard-running backs and the play of the defensive line were outstanding features of the successful season.

The season opened on a good note as the Saints rolled to a decisive 14 to 0 victory over Archmere Academy. The S.A.S. backs, led by fullback Larry Fitchett, were able to tear off huge chunks of yardage almost at will as the Big Red line manhandled the Archer forward wall.

The squad opened the home season successfully by downing archrival Wilmington Friends 24-6. Once again the success of the S.A.S. forwards proved to be the deciding factor, as the Big Red ground attack rolled into high gear and the Quakers were unable to gain yardage consistently.

The Saints went down to their first defeat at the hands of a powerful Tower Hill team 32-24. The running of backs Larry Fitchett and John Houston and the passing of Mike Donovan to Henry Pool were the outstanding features of the powerful S.A.S. offensive attack. But failure to convert after any of their touchdowns cost the Saints the victory.

The Big Red returned to the victory trail by trimming Sanford 12-6. Although the team as a whole did not play well, it was able to withstand the Preppers threats and then take advantage of a blocked punt to score the winning touchdown.

St. Andrew’s absorbed its only decisive beating of the year at the hands of a strong St. Alban’s team, 39-0. St. Alban’s used a “jitterbugging” defensive line to stifle the S.A.S. wing-T ground attack and unleashed a set of shifty backs and a sharpshooting quarterback to shred the Big Red defense.

Chestnut Hill evened the squad’s record at three wins and an equal number of losses and spoiled the Saint’s home finale by eking out a 15-6 victory.

With the reality of becoming the first winning football team at St. Andrew’s in seven years hanging in the balance, the Big Red responded with a convincing 22-6 win over Baltimore Friends. Fullback Larry Fitchett, who gained over two hundred yards, and halfbacks Chick Shenk and John Houston ran wild as the S.A.S. forward wall, led by center Ed Hammond, tore huge holes in the Quaker’s line.

Phil Onderdonk, Larry Fitchett (three times), John Houston, Ed Hammond, Carl King, and Chick Shenk won player-of-the-week awards.

With seven returning lettermen plus a new group of very competent younger players, the 1959 Varsity Soccer team, coached by Buff Weigand and captained by Brian Fisher, had an outstanding 8-2-1 season and reigned supreme over all the independent schools in the state of Delaware (including the University of Delaware).

Because of the tremendous fight put up by the aggressive S.A.S. defense, no opponent was able to score a non-penalty goal against the Red for seven consecutive games; and over the entire season, the opposition could score only eight goals.

The starting defense, led by Johnny Hassan (center halfback), was made up of Bill Long (left halfback), Sandy Stone (right halfback), Pieter Voorhees and John Davie (the left and right fullbacks), and King "Fu" Young (goalie). The often too little praised defensive substitutes were Orland Campbell, Bill Gallagher, Andy Long, "Steamer" Walke, and Dexter Chapin.

The offense, spirited by center forward Brian Fisher, had no particular outstanding player but divided the twenty-two goals made during the season among eight men. This unit was made up of Laury Deschamps (left wing), Bob Faux and Tom Dunning (left insides), Fu Sang Chan and Jack Beeler (right insides), and Buzz Williams and Charlie Heckscher (right wings). Bob Woodruff and Jim Beverley were the offensive substitutes.

The Saints played their first game of the season against Moorestown Friends after a short two weeks of practice. Both Fisher and Williams scored in the first quarter, but Moorestown finally broke through the Red defense in the last minute to tie the game 2-2.

In the second game, the Saints were defeated by Westtown Friends, 1-0; but the lessons learned from this defeat helped the team put the final polish on its play.

The Big Red won its next game against Phelps without much trouble as Fisher scored in both the first and second quarters and Deschamps and Williams scored in the third quarter.

The Saints then picked up their second victory of the season against Wilmington Friends, 2-0. Fisher scored within the first five minutes of the game, and Hassan scored in the third quarter. Then, the iron Red defense held Friends scoreless for the remaining time.

The third win of the season was over the Delaware Freshmen, 3-1. Fisher scored early in the game, and Deschamps and Williams scored during the third quarter. The sole Delaware goal was scored on a penalty kick.

The Big Red won its next game against Friends Select, 2-0, on third period goals by Deschamps and Heckscher.

In the fifth game, the return match with the Delaware Freshmen, Deschamps scored in the second and third quarters to lead the Saints to a 2-0 victory.

The next game, against Wilmington Friends, was the closest of the season. Both teams were scoreless until the last minute and thirty-five seconds of the second overtime period, when Fu Sang Chan made the winning goal.

The Saints played their only revenge-seeker against Westtown Friends in the season's seventh game. Fisher scored in both the first and third quarters to overcome Friends 2-1.

The team was blessed with a good omen during the fourth quarter of their next game against Friends Select. Faux had scored in the second quarter, and, with only four minutes left in the game, the score was 1-1 when a flock of thirteen geese flew overhead. Inspired, "Goose" Weigand's warriors went wild, and Williams, Bill Long, and Beeler scored three goals in the next two minutes to win the game 4-1.

For the last game of the season, the Saints journeyed to Phelps with high hopes of extending their eight game winning streak. Unfortunately, never-twice-beaten Phelps rallied to defeat S.A.S. 2-0.

JUNIOR VARSITY FOOTBALL

The Saint Andrew's Junior Varsity Football team, under the leadership of Captain Ernie Cruikshank and Coaches Hughes and Boyle, compiled a very respectable 3-1 record this year.

The little Saints began the season with Sanford on October 20. Although the Saints were outweighed, they made up for this deficit with tremendous spirit, which enabled them to triumph over the Preppers, 34-6. Bennett and Chambers were backfield stars for S.A.S.

For the second game of the season, the little Saints traveled to Tome School in Port Deposit, Maryland. Tome, however, proved too much and won the game 20-6, as Pinner made the lone S.A.S. score.

In their third game, the J.V. whipped the little gridders from Dover, 38-8. Though outweighed, the Saints again displayed a spirited offense, spearheaded by the running of backs Tonks, Stevenson, Cruikshank, and Bennett, and an aggressive defense led by lineman Pete Laird.

In the last game of the season, the S.A.S. J.V. had little trouble with the Archmere J.V. Running wild from the opening kick-off, the Cardinals were led by backs Murphy, Pepper, Steele and Cruikshank and linemen Laird, Snyder, Anderson, and Craig.

This last win gave Mr. Hughes and Mr. Boyle an impressive 9-1 record for the last two seasons.

Starting J.V. Lineup: Offense—Left Halfback, Jud Bennett; Right Halfback, Bill Stevenson; Fullback, Joe Smith; Quarterback, John Pinner; Ends, Bruce Anderson, Ski Houghton; Tackles, Dave Long, Tom Field; Guards, Jim Watt, Pete Laird; Center, Alvan Pierson. Defense: Left Safety, John Roberts, Right Safety, John Pinner; Left Linebacker, Jud Bennett; Right Linebacker, Ollie Pepper; Ends, Bruce Anderson, Ski Houghton; Tackles, Dave Long, Tom Field; Guards, Jim Watt, Pete Laird; Center, Alvan Pierson.

INTRAMURAL FOOTBALL

The lightweight football team (130 pounds and under) had only one outside game this year, with Tatnall School of Wilmington. Unfortunately, the tiny Saints were overpowered by a well-trained Tatnall squad, 32-6. Dick Buckaloo provided the only excitement for the S.A.S. fans by intercepting a pass and running 35 yards for a touchdown.

The S.A.S. heavyweight intramural team also played only one game this year, against a speedy Redding team. The Redding backs found a great deal of running room in the Saints' line and secondary and rolled to a 36-0 victory despite the valiant efforts of Johnny Craighill.

This year's varsity wrestling squad, by compiling a near-perfect 10-1 record and gaining its fourth straight State Championsip, earned these words of praise from Mr. Cameron: "The greatest wrestling team St. Andrew's has ever produced."

St. Paul's of Baltimore fell first to the Saints, 28-11, as Arensberg (103), Captain Terry (133), Houston (145), Hammond (165), Stewart-Gordon (177), and Appell (Hw.) decisioned and Jim Beverley (112) and Brinton (127) pinned.

For the second straight year the powerful Peddie School capitulated, this year by a sound 29-14 score. Arensberg, Houston, and Shenk (154) decisioned, while Steele (112), Terry, Hammond, and Appell pinned.

Then the Saints, journeying to Alexandria, Virginia, set back Episcopal High for the first time since their rivalry began in 1951, 25-18. Houston registered the lone S.A.S. fall of the afternoon, with Arensberg, Beverley, Brinton, Shenk, Hammond, and Appell gaining decisions. Steele tied at 120.

Severn Prep then proved an easy foe as only Captain Terry, wrestling the Sailor's captain, was defeated. Houston and Appell provided St. Andrew's with pins, and Beverley, Steele, Brinton, Randy Johnson (138), Shenk, Hammond, and Appell gaining decisions. Steele tied at 120.

Severn Prep then proved an easy foe as only Captain Terry, wrestling the Sailor's captain, was defeated. Houston and Appell provided St. Andrew's with pins, and Beverley, Steele, Brinton, Randy Johnson (138), Shenk, Hammond, and Appell gaining decisions. Steele tied at 120.

William Penn next was crushed 42-5, with decisions by Arensberg, Beverley, Brinton, Terry, and Johnson and pins by Williams, Hammond, and Jim Dandy award winner Chapin (177). Houston tied the Most Valuable Wrestler in the state, and Steele and Stewart-Gordon gained five points with forfeits.

The Cardinals ended their regular season in fine fashion with a bruising 35-3 whipping of Malvern Prep. Steele, Houston, Hammond, and Appell pinned; and Arensberg, Beverley, Brinton, Terry, and Johnson decisioned.

With the end of the regular season Appell and Hammond remained undefeated, 9-0 and 10-0-1 respectively; Appell had won 19 straight. Arensberg was 8-1 and Houston was 8-1-1.

In post season play the squad travelled to Newark, Delaware, to defend successfully its State Title. In meeting increasingly tougher competition, St. Andrew's captured three individual State Championships. Brinton at 120 won his third straight title, Terry at 127 his fourth straight, and Stewart-Gordon at heavyweight his first. Arensberg at 93 and Steele at 112 earned second place medals, and previously undefeated Hammond returning State Champion Houston, third places.

The Varsity Basketball team opened its season against Dover High School on January 8, but the Saints were defeated, 51-28.

In their home debut, the Saints met Sanford Prep which dealt them their second defeat, 61-46. Juniors Delo and Hillenmeyer contributed 12 and 10 points respectively.

Next, the team journeyed to Westtown and, playing its best game of the season, won 50-46. Delo and Coward were high point men for the day with 13 points apiece, and Stone hit for 10.

In their next game, the Saints were subdued by Chestnut Hill Academy of Philadelphia, 66-41.

In their fifth game, against St. Albans’ of Washington, D. C., the Saints trailed by only one point before their scoring power faded in the fourth quarter for a 50-46 loss. Once again Coward and Delo were high men with 15 and 10 points respectively.

St. Andrew’s then overpowered St. Peter’s, 61-34. The top-heavy score was made possible mainly by the rebounding and shooting of Captain Henry Pool.

In its seventh game, the team again met Westtown, but Friends averaged their earlier loss to the Saints winning the game 61-49. Juniors Hillenmeyer and Hance were the top scorers with 13 and 11 points.

In the next contest the Saints went against Archmere. The sharpshooting Archers pulled ahead early in the game and sustained their lead to hand the Saints another loss, 78-50.

The Saints then took on Wilmington Friends at S.A.S. Though trailing by only three points at the end of the third quarter, the Saints were overpowered in the closing minutes and lost 60-53. Hillenmeyer was high with 14, followed by Pool with 13, Coward with 12, and Delo with 8.

For the tenth game, the Saints traveled to Caesar Rodney where, putting on their best offensive showing, they broke the school record for team points in a single game. Hillenmeyer paced the 81-70 victory with 24 points, followed by Hance and Delo with 11 points apiece and Cruikshank with 8.

The Big Red then journeyed to Tower Hill where they were defeated in a fiercely contested game, 66-59. Hillenmeyer was again high point man with 19 points, followed by sophomore Cruikshank with 16 points.

Though Hance, Coward, and Hillenmeyer scored 17, 12, and 10 points respectively, the Saints were again defeated by powerful Wilmington Friends, 75-53.

At Sanford the Saints, finding their defence could not keep the Preppers in check, suffered a 78-68 defeat. Coward, Delo, Cruikshank, and Stone contributed 16, 11, 11, and 8 points apiece.

At home once again, the Big Red met Archmere for the second time. Once again, however, the accurate shooting of the Archers proved to be too much for the Saints.

Inconsistent shooting then caused the Saints to lose to Baltimore Friends, 47-41.

In the last game of the season the Saints remet Tower Hill, but again the Hillers’ attack proved too much for the Red, who fell 68-53.

Coach Washburn looks forward to greatly improved records in the next few years, since many of this year’s team were sophomores and juniors.

J. V. WRESTLING

Junior Varsity wrestling had a fine season this year, winning eight matches and losing only four. Many of the boys showed great promise for filling out future varsity teams. A few of the boys were first year men and did fine jobs, consistently "coming through in the clutch." Captain Orland Campbell fostered in the team an air of confidence both on and off the mats.

Against the William Penn Jayvees and the Delmar Jayvees in the first two matches, the "Little Saints" took beatings. The "Little Saints" then snapped back, wrestling the William Penn Jayvees again and downing them, 33-14. With the fresh taste of victory spurring them on, the S.A.S. Jayvees vanquished the Milford Junior Varsity team, 35-14, and the Dover Varsity team, 33-10. The "Little Saints" then bowed to a strong Tower Hill squad. But once again the Jayvees bounced back from a loss, shellacking the Newark Junior Varsity, 21-15; the Tower Hill Junior Varsity, 35-5; the Dover Varsity, 35-5; and the Milford Jayvees, 21-20; in a series of inspired matches. In the last match of the season, however, the "Little Saints" met with defeat at the hands of the Delmar Varsity, 26-20.

At the Winter Term Sports Awards Ceremonies, numerals were given to Jay Kerr (manager), Al Hubbard, Pete Smith, Chase Gove, Jack Chambers, Pete Laird, Orland Campbell, Dexter Chapin, Bob Miles, Albie Pierson, John Gulleit, Paul Scholla, Fu-Sang Chan, John Pinney, Mike Biscayart, Ollie Pepper, Steve Rutter, and Jim Cooper. At the end of the ceremonies, Tom Stewart-Gordon, holder of last year's Jim Dandy award, presented Dexter Chapin with the 1960 Jim Dandy.

J. V. BASKETBALL

This year's J.V. Basketball team, coached by Mr. Weigand and captained by Bill Stevenson, compiled a disappointing record of 3-11.

At the beginning of the season the Saints lost a tough game to Dover, 33-24. The high scorer for S.A.S. was John Roberts with 9 points.

At Westtown Friends, defeat was again the outcome. Roberts led the scoring for S.A.S. with 8 points in the 57-18 loss.

Lewis L. Redding found the S.A.S. troupe an easy opponent, 51-22. Bruce Anderson supplied the main shooting power, scoring 9 points.

In their next contest, the winless J.V. lost to Westtown for the second time, 55-33. Larry Court was high scorer with 14 points.

A well-balanced Archmere team then romped over S.A.S., 81-22. John Roberts was high scorer garnering 10 points.

Wilmington Friends also found S.A.S. an easy opponent as they won 71-26. Johnny "Pinnah" swished 11 points through the nets for the Saints.

The season reached its lowest mark as Wilmington Friends again defeated a spiritless Red, 72-20. "Daisy" Pyle gathered 5 for high man honors.

However, a spirited Red team then unexpectedly upset a strong Sanford, 41-34 in their rematch. Roberts was high scorer with 11 vital points.

But then a powerful Archmere team overpowered the Red in a 76-17 rout. John Pinner led the Saints in scoring with 5 points.

Coming back from the catastrophic loss, the little Red defeated a surprised Baltimore Friends, 38-37. John Pinner was leading scorer, gathering 17 points.

SQUASH

The 1960 Squash Team held two matches each with Haverford "B," Episcopal Academy "B," Penn Charter, and Hill and compiled an 0-7-1 record. Pete Delauney, Dan McWethy, John Davie, Chuck Johnson, Dick Worthington, Buzz Williams Jim Morgan, and Mike Leary were the team members.

The high point of the season was reached when Pete Delauney, John Davie, and Chuck Johnson pooled their efforts to tie Episcopal "B" in the first match between the two teams.

At the end of the regular season, the underform and upperform Squash Tournaments were again held. Cary Fishburne won the second-third form championship and Pete Delauney became the senior champion.

The S.A.S. varsity crew, with five returning lettermen including Captain Dave Hindle, rowed to 3-3 record in 1959.

The Saints opened the season on April 18 against Hun School on Lake Carnegie in Princeton, New Jersey. Because Hun's second boat was not prepared for the race, both S.A.S. crews rowed against Hun's first boat. Hun jumped the lead at the start and increased it to win by three lengths in 5:49.6. The Saints' time was 6:00.0. The S.A.S. first boat consisted of bow, Hindle; two, King; three, Price; four, Shenk; five, Walke; six, Harris; seven, Fitchett; stroke Hillenmeyer; and coxswain, Schoonover. The second boat was made up of bow, Houghton; two, Jones; three, Hammond; four, Frost; five, Long, W.; six, Hance; seven, Knotts; stroke, Hassan; and coxswain, Brinton.

The following Saturday, the same St. Andrew's first boat raced Princeton's second boat 150 lb. freshmen on Noxentown Pond. The Saints held the lead throughout the race and won in 5:05, breaking the record for eights of 5:13 set the year before.

The next week, May 2, the S.A.S. oarsmen, now in fours, journeyed to Alexandria to row against Washington and Lee, George Washington, and Hammond High Schools. The second four: bow, Hindle; two, King; three, Knotts; stroke, Shenk; and coxswain, Colton, after leading the pack for the first half mile, hit a bad wake and fell back to finish the race in last place. The first boat: bow, Fitchett; two, Harris; three, Walke; stroke, Hillenmeyer; and coxswain, Schoonover, took an early lead and increased it to the half mile marker where they too hit a wake. Although the other boats then pulled up gradually, the Saints won the race, beating second place Washington and Lee by five inches. Unfortunately, no times were taken for this race.

On May 9, the Saturday of Dance Weekend, the same S.A.S. fours rowed against Pennsylvania's 3rd Varsity Heavy-weight eight, which had broken up into fours. Pennsylvania's second boat took the lead at the start and increased it to three lengths during the first half mile. The Saints, however, gained on Penn during the second half mile to lose by only one length in 6:03. In the first boat race, the Penn crew again took an early lead and at the half mile were leading by two and a half lengths. The Saints though began a sprint at the 3/4 mile marker, and gained steadily on Pennsylvania to lose by only five feet. A new course record for fours was set at 5:44.

On May 15, the Saints, back in eights, travelled to Annapolis, Maryland as guests of the Naval Academy. Because of extremely choppy water on the main course, the races were rowed on a course slightly under a mile in length. The second boat: bow, Houghton; two, Davie; three, Long, W.; four, Williams, R. L.; five, Hammond; six, Jones; seven, Price; stroke, McCabe; and coxswain, Colton lost to the second boat 150 lb plebes by three lengths. The first boat, made up of the same oarsmen as in the first two races, was beaten by the first 150 lb plebes by one and a half lengths.

S.A.S. rowed the last race of the season on May 19 against Bonner High School of Philadelphia. The same second boat lost to Bonner's second boat by three lengths. The first boat, however, jumped Bonner at the start and held the lead throughout the race to win in 5:14. Bonner's time was 5:24.

The 1959 Varsity Tennis team continued the school's tradition of winning tennis seasons (24 out of 28) with a record of five wins and three losses.

Captain William Grubb headed the team at the No. 1 position with a personal singles record of 6-2. Allen Morgan, Charles Hance, and Cary Fishburne played at the number two, three, and four spots respectively. Brian Fisher, the 1960 Captain-elect, played No. 5, while John Jaeger, Peter Delauney, and Dick Worthington vied for the remaining positions.

The season started successfully as the Saints trounced Delaware Freshmen 7-1. Then, the season took its downward trend with a loss to Gilman, 7-2. Willy Grubb won the only singles match and Morgan and Fisher the only doubles.

The following week, Salisbury High School handed S.A.S. its second loss, 6-3. Grubb and Jaeger won their singles matches, and Hance and Grubb won the only doubles match. A strong Sidwell Friends team from Washington, D.C. handed the Saints their third and final defeat, 7-1. The doubles team of Fishburne and Fisher won the only match.

When, in their next two matches, the Saints trounced both Chestnut Hill and Westtown Friends, 7-2 and 5-1 respectively, they began to look towards a winning season. Continuing victorious the Saints then beat a powerful Perkiomen Prep. team, 6-3. Four of the matches went into a third set, in which the better trained Saints were able to triumph.

The final match was the closest of the year, for though the Saints defeated Hun School 4-0, all of the matches went into three sets.

With this winning season behind them, the Saints looked forward with eagerness to the State Tennis Tournament. However, coaches Hughes and Hawkins felt that certain members of the team should concentrate on their studies. St. Andrew's did enter one, three, and six men, Grubb, Hance, and Jaeger. Unfortunately the competition in the tournament proved too much for this depleted S.A.S. team and it could take only third place on wins by Hance and semi-finalist Grubb.

Perkiomen Prep
Because of its inability to score runs in clutch situations, the 1959 varsity baseball team finished the season with an unimpressive record of three wins and nine losses. Captain Coley Brown's squad possessed a tight infield aggregate and good pitching from its all-southpaw mound corps but, with a few notable exceptions, was unable to score enough to notch the win.

The Saints had the misfortune to play powerful Wilmington Friends in their first two games, and the Quakers' big hitters had field days in both encounters, saddling the Big Red with two quick losses, 16-3 and 14-5.

S.A.S. notched the season's first win by trampling Smyrna, 15-9. Pitcher Carl Bear picked up the win by holding Smyrna in check until the Saint's attack had piled up an insurmountable lead.

In the next game, Gilman downed the Big Red, 6-2.

In the fifth game, despite Ken McCullough's no-hitter, S.A.S bowed to the Big Green of Archmere Academy, 2-1.

The Saints then picked up their second win of the season by trimming Sanford Prep, 11-5. Sandy Coward got his first win behind the Big Red's powerful stick-work.

The Saints next dropped another one-run verdict, this one to Westtown Friends, 4-3.

In the eighth game, behind Sandy Coward's three-hitter, the Big Red trampled Tower Hill, 11-3. Catcher Sam West's three run home run triggered the S.A.S. onslaught, which left the Hillers bewildered and bruised.

The team ended the season in poor fashion bowing successively to Westtown Friends, 5-4; Smyrna, 6-5; Archmere, 6-3; and Dover, 5-1.

Sophomore Sandy Stone led the Saints in hitting for the season and Benny Powell proved to be the squad's chief long-ball threat. Smooth infielding by Stone, Coley Brown, and King Young; strong backstopping by Sam West; and consistent ball-hawking in the outfield by Powell, Mike Donovan, and Henry Pool also contributed to whatever success the team enjoyed.

J. V. BASEBALL - 1959

The Editors of the Yearbook regret that there are no scores for the 1959 J. V. Baseball team, for at the time of this writing the team’s scorebook could not be found. However, it is possible to give the line-up of the team:

Pitchers: Larry Court, John Roberts; Catchers: Marshall Craig, Jess Dowd; First base: Jess Dowd, Chip Gordy; Second base: Jeff Bell; Short stop: George Young; Third base: Andy Arnold, Eliot Lawes; Right field: Jim Watt, Mac Brown; Center field: Bill Skold, Lew Haden; Left field: John Roberts, Rick Hillier; Manager: Ollie Pepper; Coach: Mr. W. H. Johnson.

CLUB CREW - 1959

The 1959 Club Crew season completely reversed all previous trends. The Acheans, coached by Mr. Reyner, who have won very few races in the past several years, beat the Vikings in all but one of the races last spring.

Also last year, the Club Crew had an outside race with Bonner High School of Philadelphia. The All-stars, made up of the best oarsmen from each club, lost to Bonner’s third varsity boat by a length of open water.

JUNIOR TENNIS - 1959

After the Junior Tennis team lost two of their best prospects to the Varsity and to the Infirmary, they found themselves with little experience and therefore compiled a 0-4 record for the 1959 season.

In the first two matches they were soundly beaten by both the Gilman Juniors and the Salisbury Juniors. But in the next matches, both of which were played with Cambridge, the Saints slowly gained strength until in the final match when the Little Saints were barely edged out 5-4.

The line-up for the last match was as follows: 1) John Craighill, 2) Jud Bennett, 3) Rick William, 4) Jim Morgan, 5) Dick Porter, 6) Mike Leary.
